Subject: Art Work

Dear Council Members, I am not a fan of the art sculpture that is presently featured in Town Square. I am in hopes that permanent or future art work will be publicly proposed and allowed public input before installation. As Burien Citizens, I believe we have a right to vote on what has been proposed by the Art Commission and have a choice of the art that will be reflected in our City. We need something that will be an asset to our City and not a big question mark as to what in the World it is....I have hopes that the Art Commission would visit Georgia Gerber's work and pick something that we can relate to, like a huge bronze Eagle, River otter, Raccoon, Salmon, Squirrel, something that says Burien.....Saving us from another giant corkscrew awl, or whatever that atrocity was that was thankfully decided against. Thank you. Vera DeRosa
