Subject: Burien Thursday Market

Dear Council Members, I am in hopes that you will consider having the Burien Market remain in Old Burien for this coming year. I have heard that it may be moved to the Town Center, but with the continued construction and parking issues, it would be much more sensible, I believe, to have it in the same location as last year, allowing downtown Burien to get more organized. Parking and walking to the Old Burien Site proved to be a win win situation for most people that attend the market. Parking was never an issue. Thank you, Vera DeRosa
