RE: Post Signs for Leash Law at Parks

Dear City Council:

I am a Cadette Girl Scout who is currently working on my Silver Award, and have found one project within the city I would like to offer assistance with.

I have noticed a large number of people that own dogs that are letting them run free in my city park. Knowing there is a leash law in Burien, I was wondering if I offered to post signs at some of the smaller parks, would you be willing to have the signs printed.

If you are willing to pay for the signs, I am willing to put them up at a few of the parks in Burien.

Please let me know if this is something I can assist with.

Sincerely,

Emma Elliott

Emma

Thank you for taking the time to tell us of your concern and your Silver Award project idea. We are in the process of creating new signs for our parks regarding rules, including dogs off leash. What I would be very interested in doing is to meet with you and your parents in your park to discuss your idea and agree on what we can do for new signage. Why don't you let me know a day and time, and the name of your park, so we can meet there next week.

Thanks
