RE: Non-Extension of C.A.R.E.S. Contract

RECEIVED

APR 22 2016

CITY OF BURIEN

**FROM: Barbara Reamer; lifetime Burien Citizen
Retired Highline School Dist. Employee
Burien Arts Groups Volunteer**

Ladies and Gentlemen:

I understand that a majority of the Burien City Council has voted not to renew the C.A.R.E.S. contract which expires in August, leaving the city without animal-control services. This is a request to make public your reasons for this decision.

The citizens of Burien, who elected you to handle City business, deserve to know what prompted this unexpected vote. Please show provable facts that continuing with C.A.R.E.S. would not be good for the City. Personally, I do not believe that to be true. With a 4 to 3 Council vote, it's obvious that some of you share my opinion.

I have used C.A.R.E.S. service and have seen them in action. The response times and outcomes I observed were very good. Last summer I was quite distressed to see a family of ducklings stranded in a parking lot behind Walgreen's in Burien. Fortunately, ACO Alex soon arrived and patiently and carefully rounded up all of them so they could be relocated to a safe and appropriate environment.

I'm also sure you'll remember another incident when Alex rescued a dog, locked in a hot car. This story was told as a reminder to pet owners that animals can die in cars during hot weather, and appeared in local newspapers as well as on TV news shows. It was so good to see Burien on the news in a positive light, for a change.

Please pay attention to the preferences of the many satisfied people who are signing petitions in favor of keeping C.A.R.E.S. My door-to-door anecdotes tell me that most people are quite satisfied with the program.

Thank you for your consideration of changing your vote.

Barbara Reamer
16712 - 21st Av. S.W.

Subject: CARES contract extension

Let me add my voice to what by now should be a growing clarion call for sanity in renewing/extending the animal control contract Burien has in place with CARES.

The most recent reply from Dave Upthegrove, King County council member, to Burien's Highline Times inquiry about King resuming animal control in Burien was direct, succinct and unambiguous. King County cannot do it. Here is his reply:

UPDATE 4/18/2016

We asked King County Council member Dave Upthegrove for status regarding King County's position on providing animal control to Burien. "I'll need to check, but I think any contract would need to come to the county council. We are facing a \$50-\$60 million budget shortfall in our general fund, so we are going to need to evaluate the costs we charge cities not already under contract. Burien has a great thing going with CARES. I don't understand their thinking at all. I doubt the county can provide the same level of service, local facility, and community connection that CARES does. I adopted a dog from CARES last year and had a great experience." - Dave Upthegrove

I trust Burien council will do the right thing, the responsible thing, the fiscally sound thing, and extend the CARES contract at its next meeting.

I am writing in regard to extending the animal control contract to CARES. I have adopted two dogs with their help over the years. In the first case they even agreed to hold the dog for 3 weeks while I had a fence built on my property. In the second case, they recommended the dog and he has been a perfect fit for our family. When my husband and I were driving one day, we spotted a small dog running loose on 1st Ave S. We called CARES and someone was out in 15 minutes and had safely captured the frightened pup and we later learned that he was reunited with his owners. I think having a local connection is preferable to handing things over to King County. When I lived in downtown Seattle, they always appeared to be swamped with calls and simply unable to keep up with the demand.

Sincerely,
Karen Falk

RECEIVED

APR 24 2016

City of Burien

To Whom It May Concern:

I, Quinton Thompson, visited the Burien Community Animal Resource & Education Society (C.A.R.E.S.) facility located at 909 SW 151st Street, Burien, WA, 98166 on 4/7/2016. From the time I arrived at 1:30 pm until I left at 5:30 pm, I observed adults and younger youth coming into the facility to socialize with the animals still awaiting a new home.

Burien C.A.R.E.S. is a non-profit 501 c(3) Corporation with five (5) paid employees (3 are part-time), and approximately 15-30 volunteers which varies from week to week. As a small community no-kill shelter, C.A.R.E.S. relies on the excellent and varied team of volunteers to help with day-to-day shelter operations, animal care, and special events. C.A.R.E.S. is able to provide a clean facility and quality care for the animals, in part due to the volunteers' generous donations of time and energy. They range in age from high-school students to seemingly ageless retirees/seniors, including many with disabilities. They can be individuals with court-ordered community service, high school students with senior service requirements, or just ordinary citizens with a desire to help animals. All volunteers participate in an initial orientation session as well as on-the-job training.

I feel this agency has a huge positive impact on this community. Personally, I know that spending time with animals is a wonderful way to relieve stress. Also, having something rewarding to do such as taking care of an animal in-need can help some people avoid the temptations of drugs or alcohol. Another plus is the pet food donations C.A.R.E.S. provides to area food banks for people without enough money to feed their animals.

Quinton Thompson
(letter regarding Burien C.A.R.E.S. - page 2)

On 4/15/2016, the Highline Times / Des Moines News published an article which stated that on April 4th, the Burien City Council voted down an amendment to extend the contract for C.A.R.E.S. until January 31, 2017. (The current contract expires on August 31, 2016.)

If the Council does not extend the contract for C.A.R.E.S., the young adults and kids – or for that matter the elderly and disabled will not have a place to come and visit the animals unless they are able to get transportation to the nearest King County Animal Control Shelter. In most cases, that is not an easy thing to do and in others - nearly impossible.

I believe not renewing this contract would have an adverse effect on the city of Burien and its citizens. I am also very concerned that returning animal control for this area to King County would be much more expensive. Please reconsider your decision.

If you have any questions or want any further information on my visit and observations, please feel free to contact me at the address or phone number shown above. If possible, I'd like a copy of any Burien City Council action on C.A.R.E.S.

Sincerely,

Quinton J. Thompson

Subject: CARES

I just wanted to voice my feelings about the consideration of moving animal control back to King County. I feel that CARES is one of the most important facilities in Burien. It gives us a unique position to have this caring group here locally. We have adopted a wonderful dog through CARES and they were very helpful through the process. I also am impressed that CARES give local families a chance to contribute to the organization by walking pets and helping with the care of the pets. I have been very impressed with the animal control officers and their caring attitude also.

Over the years we have adopted several pets from other shelters and this is definitely one of the best experiences we have had.

Thank you, Jim and Lynn Coleman

Subject: C.A.R.E.S.

I urge you to extend the current contract with C.A.R.E.S. because:

(1) I understand that the earliest Burien could switch to King County Regional Animal Services (King County) would be January 2017. This means we would be without any animal control services for at least 4 months, and

(2) Because King County has insufficient funds, we may not have the option of rejoining them in the future. This means we would have no animal control services, period.

Please reconsider the services that C.A.R.E.S. provides and please realize that we don't have a good alternative to C.A.R.E.S. at this time. Thank you.

April 25th, 2016

Dear Burien City Councilmembers,

I am writing to you today as a local citizen and pet owner to ask that you consider extending the animal control contract that the city has with the Burien C.A.R.E.S. organization. I have had the pleasure of getting to know the Burien C.A.R.E.S. team over the past two or so years, and have had many personal interactions with the organization, including some time spent volunteering with them. It is my opinion that C.A.R.E.S. is a worthwhile and valuable community organization, filled with passionate advocates for the pet owners and animals in Burien, and that they have been a great success in providing the city and community with excellent animal control services. I believe that failing to support this local business by renewing their contract would be a mistake.

Importantly, I want to laud C.A.R.E.S. specifically for their efforts to involve the local community as volunteers – there are many young adults and retirees and animal advocates that spend time volunteering with the shelter, learning important life skills, building resumes, connecting with the community and exercising civic pride. I've met many of these people and it's clear to me that C.A.R.E.S. is both deeply invested in the community, and vice versa. Not only that, but C.A.R.E.S. does public outreach on pet health, care and training – as a consequence of being local, they patronize Burien businesses (like veterinarians), they run a pet food donation center for local pet owners, and so much more. It's an important community organization that deserves respect and support for what they contribute to our little corner of society.

“One of my goals is to enhance ... the boosting of community services for our diverse population of all ages. Another is to encourage and welcome more Burien citizens to become involved with their community.” – Mayor Krakowiak, (burienwa.gov)

I challenge Mayor Krakowiak to consider the effects of eliminating Burien C.A.R.E.S. on her expressed goals. Renewing the contract with a functioning local business that both provides great service and encourages community involvement doesn't make sense. Nor does it appear that King County would be positioned to provide better services to Burien.

Let's compare:

Organization	Population Served	Geographic Size Served
Burien C.A.R.E.S.	49,858	13 square miles
King County	1,000,000+	1,100 square miles

According to information obtained from King County's Animal Control Services, they have 14 Animal Control Officers (ACO), serving over 20 times the population, in over 84 times the geographical area. This means that on a per-officer basis they actually have *less* resources than Burien C.A.R.E.S. with which to serve the community:

King County:	1 ACO per 71,428 citizens	Burien C.A.R.E.S.:	1 ACO per 24,929 citizens
	1 ACO per 78.5 square miles		1 ACO per 6.5 square miles.

How can an organization which is spread thinner over a larger population and a greater geographical area provide the same level of quality, local service? Because they serve a much larger area, they will necessarily be slower in responding to time-sensitive animal control issues. If a dangerous animal is on the loose, how will you explain to victims that you voted to eliminate quick-response local services? Or that you eliminated their beloved animal shelter where they're proud to volunteer? How will you explain to citizens that you refused to support a Burien business that provides local jobs?

“My goal for Burien: a safe, vibrant city with a small town flavor that supports Burien residents, families and businesses for the long-term” – Deputy Mayor Bob Edgar, (burienwa.gov)

Simply put, Burien C.A.R.E.S. makes the city safer, more vibrant, and is precisely the sort of local organization that the Burien city council should be committed to supporting. Thank you for considering my input.

Subject: CARES Contract

Dear Council,

I am writing to you today to express my complete support for CARES and their staff.

I am a business owner in Burien as well as a Board Member on Discover Burien.

I have had several occasions to work with CARES over the years. I have taken abandoned animals to the shelter and have received acknowledgment back that the animals were successfully adopted out.

I have had CARES respond to my business and watched them successfully deal with the issue at hand. The feedback from our residents have always been positive and they felt the CARES officers have been very helpful.

I have also personally set next to the CARES booth at the Burien farmers Market and watched their staff and volunteers work with the public. There is a tremendous amount of positive interaction with the public on display each day.

I also watched a CARES Officer respond to an animal in distress that had been left in a car on a hot summer day in a local stores parking lot. The issue was resolved saving the animals life. That animal is alive today because of a very timely response from CARES.

CARES represents a local and caring service provider doing great community service with local leadership.

As a local business owner and a Board Member of Discover Burien we strive to make Burien Awesome one business at a time. We buy local and try to hire local residents every chance we have. I am hopeful you will negotiate a new mutually beneficial contract with CARES that will serve Burien for many years to come with a local Business with local employees and volunteers.

Thank you for your service to our Community

Subject: Support for C.A.R.E.S.

CTTC: 5/2/16

CC: Nhan Nguyen
management Analyst

I'm writing to you tonight in support of C.A.R.E.S-our local non profit animal control and services provider.

First of all-thank you to those council members who get it. Those who support this very unique, cost effective, community drive, fiscally responsible program and partnership. For those of you who don't, I can only hope that you are open minded enough to hear why this program works.

I am a long time Burien resident, homeowner, business manager, volunteer, financial contributor and proud owner of an adopted pet from C.A.R.E.S. I also have a personal experience concerning lack of response by King County Animal Control a few years ago. All of the above mentioned items make me uniquely qualified to weigh in on the topic of who does a better job with the contracted services required by our city.

First, it's important to understand "Contracted Services"-what are the service expectations of our city government and how much are you willing to pay for those services. Is C.A.R.E.S. providing the services your are contracting for in a timely manner?

CARES has 1.5 employees who provided 24/7 response to animal emergencies and police calls for our city. King County has 3 employees and are expected to cover multiply cities-25 at last count. One of the complaints is that CARES only responds to calls-"they aren't proactive driving around the community looking for problems." Do you really think King County with their 3 employees will be"proactive" and regularly patrolling our neighborhoods-honestly, for my money, I would rather have an organization that responds timely to situations than one that might drive thru my neighborhood once a month.

CARES engages the community in a variety of ways:

1. Encourages volunteers of all ages to give back to their community providing a variety of services which enhance the care of each pet waiting to be adopted. Last year over 200 individuals volunteered their time to support the efforts of CARES-myself included.
2. Reinvestment back into the community-CARES spent over \$30,000 last year at local Vet Clinics enhancing the care of the animals
3. CARES recently hired a longtime special needs volunteer-Jordan Amantea in a unique program allowing Jordan to work 10 hours per week at her "dream job".
4. They operate a Donated Pet Food Pantry providing thousands of pounds of pet food to local charities and food banks to help our less fortunate community members feed their pets.
5. Education-they provide community education in the form of participation in local festivals with an Information Booth and provide school age children tours of the CARES facility.
6. No Kill Shelter which means every adoptable pet is adopted out to a willing family. When my adopted pet-Louie came to the shelter, he was sick with an intestinal infection, matted fur, infected ears and underweight. He was obviously in need to vet care to get him healthy enough to adopt and he needed to be groomed to removed his matted fur. CARES took the time to rehab Louie so he could find his forever home with me.

7. In a very unique situation, a golden retriever puppy was surrendered by his family due to severe medical conditions-most shelters would have put him down. After consulting a specialist, CARES took the unique approach of setting up a GOFUNDME request to get the puppy the expensive surgery he needed in order to allow him to be adopted out to a loving family.

8. Community partnerships formed to service just about any kind of animal-they have formed unique relationships with community members to provide support when an unusual pet comes through the door.

9. Fund raising efforts which include an animal COMEDY SHOW - OPEN BITE NIGHT- where local comedians donate their time to raise funds for the organization and participation in a community program with an nationally recognized company.

If you are only going to look at costs, I'm confident that CARES provides far more services for less money than you will be getting from King County.

My only ask, is that you put your personal bias aside, check your personal agendas at the door and view this unique program for what it offers and the costs you are willing to pay for these service.

Sincerely,

Lynda Isernio

April 27, 2016

CTTC: 5/2/16

cc: Nhan Nguyen, Management Analyst

Dear Burien City Council Members,

My name is Ramona Fletcher, and I was born and have lived in Burien for fifty-one years. I am an avid animal lover and have been rescuing animals for over 25 years. I am writing you today in support for our local animal shelter, Burien Cares. My experience and support from the shelter has been far above any other shelter I have encountered. I would like to share just one of those experiences with you. One day on my way to class, I found a little Dachshund mix running in the rain in my neighborhood. No one was around so I pulled over and put him in the car. I went knocking on a few doors to try and find his owner, to no avail. I drove back home and made a couple signs to put up where he was found. I drove directly to Burien Cares and told them the story. Within 20 minutes of dropping the dog off, the owner had seen my sign and was at Burien Cares to pick up his dog. The point being, when you lose an animal, and or want to foster or adopt, a local animal shelter is a vital resource. **Animals lost in Burien, will stay in Burien.** This provides an extreme level of comfort to those who have ever lost an animal.

When I became aware that Burien Cares might lose their contract to King County Animal Rescue, I was devastated. The extremely high level of care and response time to animal issues/emergencies, will NOT be able to be replicated by King County Services.

Because of my concern, I started a petition to support and save Burien Cares contract with the city. I distributed the petitions to four local pet businesses in Burien. In addition to these locations, petitions were spread throughout the community by many concerned residents of Burien. In less than three weeks, we have gathered just over 1300 signatures of support. **This is a true testament to the importance of Burien Cares to the constituents you represent!**

Unfortunately I am unable to attend the council meeting, but it is important for me to share the concerns of myself and the people who live in Burien, as represented by the signatures on these petitions.

Thank you for your time and conscious thoughts on this important decision.

Ramona Fletcher

City of Burien

Petition to keep C.A.R.E.S. in Burien

In 2011 the City of Burien began contracting with Burien C.A.R.E.S. to supply Animal Care & Control for the Burien Community. Burien was one of the first Cities to go independent from King County as King County wanted more money for less services. C.A.R.E.S. has continue to over perform in the contract obligations according to city staff. Now our City Council is thinking of going back to King County, which would change our level of services for Burien. Currently we have one full time/one part time Animal Control Officers, and a local Animal Shelter located on SW 151st Street. Although we have not seen King County actual proposal we do know they are offering a shared officer between 4 to 5 cities including Vashon, no Animal Shelter in Burien and a lower level of response for stray animals, for a higher cost!

Help us show City of Burien Council that we want our own Animal Control and Facility to STAY IN BURIEN!

Petition to keep C.A.R.E.S. in Burien

In 2011 the City of Burien began contracting with Burien C.A.R.E.S. to supply Animal Care & Control for the Burien Community. Burien was one of the first Cities to go independent from King County as King County wanted more money for less services. C.A.R.E.S. has continue to over perform in the contract obligations according to city staff. Now our City Council is thinking of going back to King County, which would change our level of services for Burien. Currently we have one full time/one part time Animal Control Officers, and a local Animal Shelter located on SW 151st Street. Although we have not seen King County actual proposal we do know they are offering a shared officer between 4 to 5 cities including Vashon, no Animal Shelter in Burien and a lower level of response for stray animals, for a higher cost!

Help us show City of Burien Council that we want our own Animal Control and Facility to STAY IN BURIEN!

Petition to keep C.A.R.E.S. in Burien

In 2011 the City of Burien began contracting with Burien C.A.R.E.S. to supply Animal Care & Control for the Burien Community. Burien was one of the first Cities to go independent from King County as King County wanted more money for less services. C.A.R.E.S. has continue to over perform in the contract obligations according to city staff. Now our City Council is thinking of going back to King County, which would change our level of services for Burien. Currently we have one full time/one part time Animal Control Officers, and a local Animal Shelter located on SW 151st Street. Although we have not seen King County actual proposal we do know they are offering a shared officer between 4 to 5 cities including Vashon, no Animal Shelter in Burien and a lower level of response for stray animals, for a higher cost!

Help us show City of Burien Council that we want our own Animal Control and Facility to STAY IN BURIEN!

Petition to keep C.A.R.E.S. in Burien

In 2011 the City of Burien began contracting with Burien C.A.R.E.S. to supply Animal Care & Control for the Burien Community. Burien was one of the first Cities to go independent from King County as King County wanted more money for less services. C.A.R.E.S. has continue to over perform in the contract obligations according to city staff. Now our City Council is thinking of going back to King County, which would change our level of services for Burien. Currently we have one full time/one part time Animal Control Officers, and a local Animal Shelter located on SW 151st Street. Although we have not seen King County actual proposal we do know they are offering a shared officer between 4 to 5 cities including Vashon, no Animal Shelter in Burien and a lower level of response for stray animals, for a higher cost!

Help us show City of Burien Council that we want our own Animal Control and Facility to STAY IN BURIEN!

Petition to keep C.A.R.E.S. in Burien

In 2011 the City of Burien began contracting with Burien C.A.R.E.S. to supply Animal Care & Control for the Burien Community. Burien was one of the first Cities to go independent from King County as King County wanted more money for less services. C.A.R.E.S. has continue to over perform in the contract obligations according to city staff. Now our City Council is thinking of going back to King County, which would change our level of services for Burien. Currently we have one full time/one part time Animal Control Officers, and a local Animal Shelter located on SW 151st Street. Although we have not seen King County actual proposal we do know they are offering a shared officer between 4 to 5 cities including Vashon, no Animal Shelter in Burien and a lower level of response for stray animals, for a higher cost!

Help us show City of Burien Council that we want our own Animal Control and Facility to STAY IN BURIEN!

Petition to keep C.A.R.E.S. in Burien

In 2011 the City of Burien began contracting with Burien C.A.R.E.S. to supply Animal Care & Control for the Burien Community. Burien was one of the first Cities to go independent from King County as King County wanted more money for less services. C.A.R.E.S. has continue to over perform in the contract obligations according to city staff. Now our City Council is thinking of going back to King County, which would change our level of services for Burien. Currently we have one full time/one part time Animal Control Officers, and a local Animal Shelter located on SW 151st Street. Although we have not seen King County actual proposal we do know they are offering a shared officer between 4 to 5 cities including Vashon, no Animal Shelter in Burien and a lower level of response for stray animals, for a higher cost!

Help us show City of Burien Council that we want our own Animal Control and Facility to STAY IN BURIEN!

Petition to keep C.A.R.E.S. in Burien

In 2011 the City of Burien began contracting with Burien C.A.R.E.S. to supply Animal Care & Control for the Burien Community. Burien was one of the first Cities to go independent from King County as King County wanted more money for less services. C.A.R.E.S. has continue to over perform in the contract obligations according to city staff. Now our City Council is thinking of going back to King County, which would change our level of services for Burien. Currently we have one full time/one part time Animal Control Officers, and a local Animal Shelter located on SW 151st Street. Although we have not seen King County actual proposal we do know they are offering a shared officer between 4 to 5 cities including Vashon, no Animal Shelter in Burien and a lower level of response for stray animals, for a higher cost!

Help us show City of Burien Council that we want our own Animal Control and Facility to STAY IN BURIEN!

CITY COUNCIL REGULAR MEETING MINUTES

April 18, 2016

7:00 p.m.

400 SW 152nd Street, 1st Floor
Burien, Washington 98166

To hear Council's full discussion of a specific topic or the complete meeting, the following resources are available:

- Watch the video-stream available on the City website, www.burienwa.gov
- Check out a DVD of the Council Meeting from the Burien Library

CALL TO ORDER

Mayor Krakowiak called the Regular Meeting of the Burien City Council to order at 7:00 p.m.

PLEDGE OF ALLEGIANCE

Mayor Krakowiak led the Pledge of Allegiance.

ROLL CALL

Present: Mayor Lucy Krakowiak, Deputy Mayor Bob Edgar, Councilmembers Stephen Armstrong, Austin Bell, Nancy Tosta and Debi Wagner. Councilmember Lauren Berkowitz was excused.

Administrative staff present: City Manager Kamuron Gurol; Police Chief Scott Kimerer; City Attorney Soojin Kim; Economic Development Manager Dan Trimble; Management Analyst Nhan Nguyen; Contract/Management Analyst Lori Fleming; Community Development Director Chip Davis; Public Works Director Maiya Andrews; Assistant Public Works Director Brian Roberts; and, City Clerk Monica Lusk.

AGENDA CONFIRMATION

Direction/Action

Motion was made by Deputy Mayor Edgar, seconded by Councilmember Tosta, and passed unanimously to affirm the April 18, 2016, Agenda.

PUBLIC COMMENT

Austin Hart, 16238 Southwest 10th Avenue, Burien
Meg Van Wyk, 16203 25th Ave SW, Burien
Kate Bysheim, 12819 2nd Avenue South, Burien
Mark Naon, 13434 6th Avenue Southwest, Burien
Helen Dexter, 18055 Occidental Avenue South, Burien
Jill Esau, 17459 Sylvester Road Southwest, Burien
Matt Van Leeuwen, 2508 SW 144th Place, Burien

David Oh, 17449 Sylvester Road SW, Burien
Rebecca Bowie, Lakewood, Auburn Youth Resources in the Community Engagement Program

Dean Orrico, 15803 Maplewild Avenue Southwest, Burien

Follow-up

Staff will follow-up on the comments received regarding permitting and crime.

PRESENTATIONS

Presentation on the Evergreen Pool Update by Whitewater Aquatics Management President Bryan Hastings.

Mr. Hastings spoke about the Swim Lesson Program, its water safety education, the Special Olympic Swim event, and its success with grants. He thanked the Council for past funding and asked that the funding be continued.

Presentation on the Sustainable Airport Master Plan (SAMP) Update by Port of Seattle Managing Airport Director Lance Lyttle, and Environmental and Planning Director Elizabeth Leavitt.

Follow-up

Staff will work with the Port of Seattle's offer on a tour of its facilities, on economic development opportunities and on the transportation impacts on highways.

DISCUSSION ITEMS

Discussion and Direction on Sound Transit 3 Draft System Plan.

Direction/Action

Councilmembers reached consensus to authorize staff to complete and submit the comment letter to Sound Transit as revised by repeating the support of the Light Rail Transit (LRT) study and the Bus Rapid Transit (BRT) project on the top of page 2, add at the end of the first bullet under "For LRT" the wording "We urge the Board to extend the scope of the study to support future construction, and that the study be completed promptly," and ask the Board to review the City's previous correspondence where the City articulated the many reasons for Sound Transit Investment in Burien; and, submit the statement as proposed to the Sound Cities Association (SCA) Public Issues Committee (PIC) by the respective deadlines.

Discussion and Direction on Metro Long Range Plan.

Direction/Action

Councilmembers reached consensus to authorize staff to provide staff comments to Metro as revised to add "via Route 509" at the end of the third bullet by the respective deadline.

Biennial Community Survey Report.

Follow-up

Staff will provide the full City of Burien Community Assessment Survey to the Councilmembers.

Update on Strategic Planning.

Direction/Action

Mayor Krakowiak adjourned the meeting to hold a break at 9:03 p.m. and reconvened the meeting at 9:13 p.m.

Direction/Action

The Councilmembers participated in a straw poll dot exercise where each member received two dots to place next to the 2017/18 and 2019/2020 Suggested Additions for the Strategic Plan. The outcome of the exercise was: Proactive Policing received four dots; New Sidewalks received 3 dots; Art, Food, Events received 3 dots, Business Attraction Incentives received two dots; Address Litter received one dot; and, Engage Community Regarding Development Design received one dot.

Review of Council Proposed Agenda Schedule.

Follow-up

Staff will schedule a discussion on the King County-Cities Climate Collaboration (K4C) commitment letter by summer.

COUNCIL REPORTS

Councilmember Bell noted that he attended the 50th Cedar Hill Regional Landfill Anniversary celebration.

Councilmember Wagner noted that she attended the South County Area Transportation Board (SCATBd) meeting.

Deputy Mayor Edgar noted he attended the Soundside Alliance Policy Committee meeting.

Councilmember Tosta noted that she will provide a written report for the Sound Cities Association (SCA) Public Issues Committee (PIC) and the King County-Cities Climate Collaboration (K4C) meetings she attended.

ADJOURNMENT

Direction/Action

MOTION was made by Deputy Mayor Edgar, seconded by Councilmember Tosta, and passed unanimously to adjourn the meeting at 9:50 p.m.

Lucy Krakowiak, Mayor

Monica Lusk, City Clerk

CITY OF BURIEN

2016 REGIONAL, STATE AND FEDERAL LEGISLATIVE AGENDA

This agenda guides our work with regional, state and federal legislative bodies and agencies.

Regional Priority

Connect Burien via Light Rail Transit to Sea-Tac Airport and West Seattle

Build and support a coalition of elected officials and local voices to advocate for LRT connection in the Sound Transit 3 package presented to voters in November 2016.

State Legislative Priorities

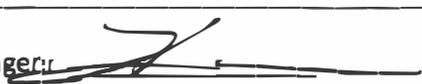

1. Accelerate Funding for the SR 518 Interchange Project
Pursue shifting the full funding to the 2015-17 biennium. The SR 518 interchange project connects a planned 160-acre NERA development site to key transportation corridors. Accelerating the project funding enables Burien to serve commercial development opportunities and create up to 2,000 new jobs.
2. Capital Project Funding for Moshier Sports Field
Pursue \$2 million to convert existing grass sports fields into year-round, multi-purpose artificial turf fields that support baseball, football and soccer. This builds on stormwater system design funding already approved and would increase field use from 4,000 hours to 10,000 hours per year.
3. Human Services and Homelessness Funding
Continue to support legislative initiatives to provide state funding for mental health services, addiction services, and resources to respond to homelessness.
4. Public Defense Costs
Continue to support city efforts to provide a state revenue stream for additional city public defense costs as a result of the State Supreme Court's mandated caseload rule for public defenders.
5. Public Records Cost Recovery
Continue to support legislation to help provide cost recovery for local agencies in the growing area of electronic records requests, and for public records that are clearly for a commercial purpose.

6. Minimum Wage
Support Legislation to Address the State Minimum Wage
7. Public School Funding
Support full funding for a comprehensive basic education program, and complementary school construction program, to meet the needs of Highline School District students.
8. Move to Renewable Energy from Coal
Support efforts to accelerate Puget Sound Energy's complete transition from coal to clean renewable energy by 2025 while providing certainty to rate payers on timing and cost. Legislation authorizing increased ownership of Colstrip should include provisions to minimize ratepayer liabilities and accelerate GHG emissions reductions.
9. Solar Energy
Support facilitating greater access to rooftop residential and community solar installations by modifying the Renewable Energy System Cost Recovery program to provide greater certainty about financial return for current solar investors while extending the timeframe for solar incentives to encourage future installations.

Federal Priorities

1. MAP-21 Reauthorization / Support TIGER CUBS
Monitor the Congressional reauthorization of MAP-21, the federal six-year transportation revenue package; support the inclusion of the TIGER CUBS legislation that creates federal transportation grants to mid-sized cities; work to include an amendment to the TIGER CUBS legislation changing the upper city population threshold to 60,000 from 50,000.
2. FAA Reauthorization
Monitor the Congressional reauthorization of the Federal Aviation Administration (FAA) with attention to land use issues.
3. Identify and Advocate for New Program Opportunities
Identify and advocate for federal policy or funding programs that benefit the City of Burien. Seek opportunities similar to the FAA Pilot Program.
4. Noise/Airport
With other partners, support bills that will address reducing aircraft noise and emissions around airports.
5. Minimum Wage
Advocate to raise the Federal minimum wage.

NEIGHBORHOODS | SPRING CLEAN-

SPRING CLEANING

BURIEN GEARS UP FOR WHAT'S SURE TO BE ANOTHER SUCCESSFUL CLEAN SWEEP EVENT

By Andrea Reay, Executive Director, Discover Burien

HERE IN BURIEN, WE TAKE OUR SPRING CLEANING SERIOUSLY. We clean out our closets, rake through the junk drawer that no longer stuns, and organize the garage in preparation for summer adventures. But we don't stop there. No, Burien residents take their spring cleaning all the way to the streets and work their way from neighborhood to neighborhood in a coordinated, communitywide day of action we call Clean Sweep.

Every April, hundreds of volunteers gather early in the morning at the downtown Burien Fire Station No. Two - rain or shine. Girl and Boy Scout troops,

church groups, sports teams, families, friends, and neighbors young and old join together to tidy our town. Mark your calendar for the morning of April 30 because true to the old saying, crazy friends do make light work.

"We're here to clean, to sweep, to make Burien beautiful!" said one volunteer at the 2015 Clean Sweep event.

We start at the Fire Station with hot coffee, baked goods, and fruit - all generously donated by our incredible local businesses. But we don't linger long before hitting the streets en masse, shovels rolled up and gloves donned to tackle trash and beautify the city. We

This is where we would summarize key points from this article in Vietnamese. Our translators would help us identify what message would resonate with Vietnamese readers then draft language to include alongside the English article.

This is where we would summarize key points from this article in Spanish. Our translators would help us identify what message would resonate with Spanish readers then draft language to include alongside the English article.

A group of enthusiastic volunteers gather for a picture before heading out to clean up the city at the 2016 Clean Sweep event.

sort recyclables, collect litter, remove graffiti, and sweep sidewalks. Recology CleanScapes, the event's main sponsor, brings extra collection trucks, dumpsters, and crews to keep up with us. The City's Public Works team helps too.

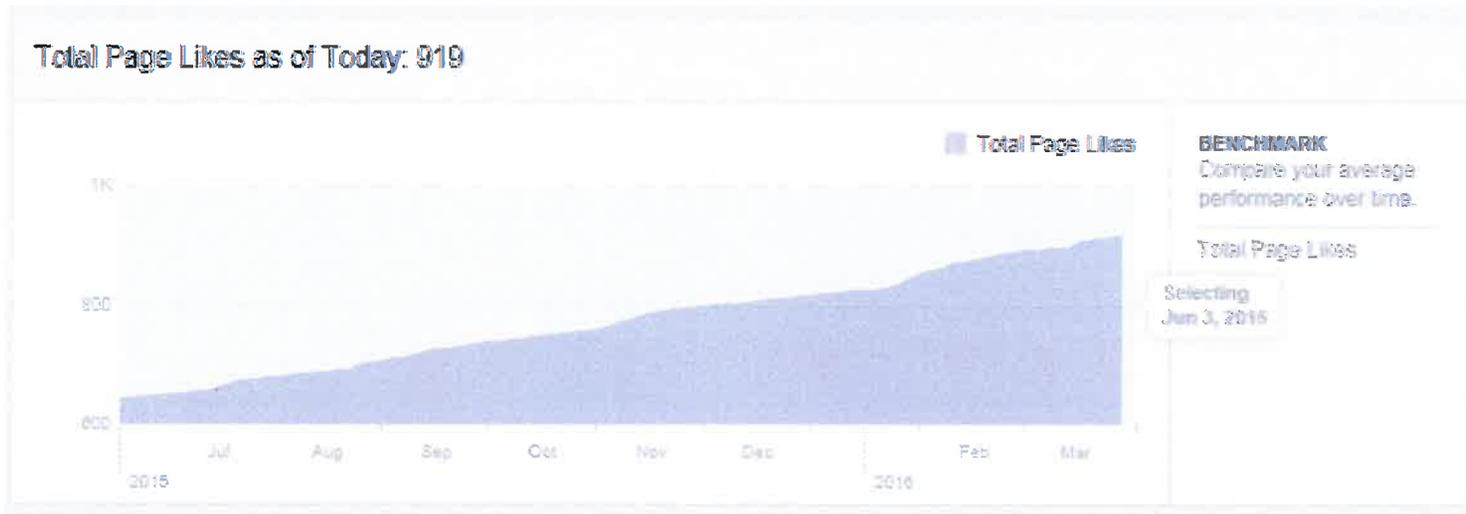

By noon, when we return to the Fire Station where we began, we'll enjoy our free hot dog lunch knowing that we have amassed more than five tons of garbage, at least 250 pounds of recyclables, and the sidewalks will nearly gleam when the sun catches them. This is community building. This is community pride. And in Burien, we take it seriously.

For more information on Burien Clean Sweep as well as a list of sponsors and community partners who make this event possible, and for information on future events, visit www.discoverburien.org.

Real estate experts predict next wave of up and coming neighborhoods

SEATTLE, Wash. — Columbia City may have been dubbed one of Seattle's hottest up-and-coming neighborhoods for years.

"You have a lot of businesses that are now here before there wasn't as vibrant as it is now," said Lynne Oliphant who lives nearby.

However, she said that much of the development here may have already peaked.

But if you want more of a bargain, you may have to look elsewhere.

Windermere Chief Economist Matthew Gardner said he's keeping his eye on new areas as the next wave of hot neighborhoods.

"I mentioned Burien for the past couple of years and people say, 'Really Burien?'" said Gardner.

Gardner said many people are surprised to learn about a shorter commute into Seattle from Burien.

"You look at it from transportation, you could actually get to downtown faster from Burien than you can sometimes from West Seattle," said Gardner.

"One of Burien's greatest assets is that its location in the metro you can hop on 509 and get to downtown Seattle, you can always go to West Seattle a couple of different ways, head to Bellevue on 405, head to Tacoma," said Matthew Wendland, who lives in Burien and runs a coffee shop called Burien Press.

**CITY OF BURIEN
AGENDA BILL**

Agenda Subject: Discussion on Ordinance No. 639, Granting a Non-Exclusive Cable Franchise to CenturyLink		Meeting Date: May 2, 2016
Department: Public Works	Attachments: 1. <u>Ordinance No. 639</u>	Fund Source: N/A
Contact: Brian Roberts		Activity Cost: N/A
Telephone: (206) 439-3164		Amount Budgeted: N/A Unencumbered Budget Authority: N/A
Adopted Initiative: N/A	Initiative Description: N/A	
PURPOSE/ REQUIRED ACTION: The purpose of this item is for the Council to consider Ordinance No. 639 Granting a Non-Exclusive Cable Franchise to CenturyLink.		
BACKGROUND (Include prior Council action & discussion): Since the City of Burien's incorporation in 1993, when the first cable franchise was granted to TCI Cable, residents and businesses within the City have been provided with cable services by a single franchisee. Burien's residents and businesses are currently served by Comcast of Washington IV, Inc. Comcast's non-exclusive cable franchise runs through December 31, 2019. Franchises are granted through the adoption of ordinances. The terms and conditions of franchises are set forth in a franchise agreement which is incorporated by reference in such ordinances. Previously, the City Council granted, extended and renewed Comcast's cable franchise by the adoption of Ordinance Nos. 475, 593 and 612.		
As noted at the April 18, 2016 Council Meeting, Qwest Broadband Services, Inc. d/b/a CenturyLink ("CenturyLink") has applied for a non-exclusive cable franchise to use the City's public right-of-way to operate and maintain a cable system. If a franchise is granted to CenturyLink, it would mean that Burien would be served by two cable service providers. On April 18, 2016, a public hearing was held to receive comment on whether there would be benefit to the public of granting a franchise, whether CenturyLink has the qualifications and capabilities to build, operate and maintain a cable system in the City, and other relevant issues. Based on CenturyLink's application, CenturyLink's presentation to the Council on April 18, and the terms and conditions of the franchise that CenturyLink would be bound by, it appears that CenturyLink has adequate capacity, facilities, legal, financial and technical capability, customer service capability, and would adequately support public, educational and governmental access programming.		
The City is authorized by applicable law to grant one or more nonexclusive franchises to construct, operate, and maintain a cable system within the boundaries of the City. Federal law prohibits local franchising authorities such as the City from unreasonably refusing to award an additional competitive franchise. Granting CenturyLink a cable franchise by adopting Ordinance No. 639 would provide the public a benefit and serve the Council's policy goal of having diversity in cable services. If the City does not grant or deny an application within the time limits specified by federal law, the competitive franchise applicant has the right to offer service pursuant to an interim franchise. A competitive franchise applicant may seek judicial review of the City's denial under 47 U.S.C. 555.		
OPTIONS (Including fiscal impacts): 1. Adopt Ordinance No. 639 Granting a Non-exclusive Cable Franchise to CenturyLink. 2. Reject Ordinance No. 639 and deny CenturyLink a Non-exclusive Cable Franchise.		
Administrative Recommendation: Discuss Ordinance No. 639 in preparation for potential action on May 16, 2016.		
Advisory Board Recommendation: N/A		
Suggested Motion: Move to place Ordinance No. 639, Granting a Non-exclusive Cable Franchise to Century Link, on the consent agenda for the May 16, 2016 meeting.		
Submitted by: Brian Roberts, Assistant Public Works Director Administration  City Manager 		
Today's Date: April 25, 2016		File Code: \\File\records\CC\Agenda Bill 2015\050215pw-1 CenturyLink Cable Franchise.docx

CITY OF BURIEN, WASHINGTON

ORDINANCE NO. 639

**AN ORDINANCE OF THE CITY OF BURIEN, WASHINGTON,
GRANTING A NON-EXCLUSIVE CABLE FRANCHISE TO
CENTURYLINK TO USE THE CITY'S PUBLIC RIGHT-OF-WAY TO
OPERATE AND MAINTAIN A CABLE SYSTEM; AND SETTING
FORTH THE TERMS AND CONDITIONS OF THE FRANCHISE**

WHEREAS, since the City of Burien's incorporation in 1993, when the first cable franchise was granted to TCI Cablevision of Washington, residents and businesses within the City have been provided with cable services by a single franchisee; and

WHEREAS, TCI Cablevision of Washington was succeeded by Comcast of Washington IV, Inc., which was granted a new cable franchise, effective from October 27, 2006 through October 26, 2011, by the City Council's adoption of Ordinance No. 457; and

WHEREAS, the City Council subsequently adopted Ordinance No. 593, extending the Comcast Franchise through December 31, 2014; and

WHEREAS, after Comcast changed its corporate name to Comcast Cable Communications Management, LLC, the City Council subsequently adopted Ordinance No. 612, extending and renewing the cable franchise for a term of five (5) years, commencing January 1, 2015 and running through December 31, 2019; and

WHEREAS, the City has received a complete application for a cable franchise from Qwest Broadband Services, Inc. d/b/a/ CenturyLink ("CenturyLink"), which if granted, would mean that Burien would be served by two cable service providers; and

WHEREAS, on April 18, 2016, a public hearing was held to receive comment on whether there would be benefit to the public of granting a franchise, whether CenturyLink has the qualifications and capabilities to build, operate and maintain a cable system in the City, and other relevant issues; and

WHEREAS, the public has had adequate notice and opportunity to comment on this Franchise during a public proceeding; and

WHEREAS, based on CenturyLink's application, CenturyLink's April 18, 2016 presentation to the City Council, and the Franchise terms and conditions by which CenturyLink would be bound, the City has determined that CenturyLink has adequate capacity, facilities, legal, financial and technical capability, customer service capability, and would adequately support public and governmental access programming; and

WHEREAS, Section 621(a)(1) of the Cable Act, 47 U.S.C. Section 541(a)(1) prohibits local

franchising authorities such as the City from unreasonably refusing to award an additional competitive franchise; and

WHEREAS, the public would benefit from competition in the cable services market and the City Council’s previously stated goal of diversity in cable services would be served; and

WHEREAS, the City is authorized by applicable law to grant one or more nonexclusive franchises to construct, operate, and maintain a cable system within the boundaries of the City;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF BURIEN, WASHINGTON, DOES ORDAIN AS FOLLOWS:

Section 1. Cable Franchise – Grant and Authorization. The City hereby grants to CenturyLink a non-exclusive franchise which, once it becomes effective, shall authorize CenturyLink to use the City’s public rights-of-way within the Franchise Area to install, construct, repair, replace, reconstruct, maintain, or retain a Cable System for the deployment of Cable Services over the Cable System all in the manner and upon the terms and conditions as are set forth in the Cable Franchise attached hereto as Exhibit A, which Cable Franchise is incorporated by this reference as though fully set forth herein.

Section 2. Severability. Should any section, paragraph, sentence, clause or phrase of this Ordinance, or its application to any person or circumstance, be declared unconstitutional or otherwise invalid for any reason, or should any portion of this Ordinance be pre-empted by state or federal law or regulation, such decision or pre-emption shall not affect the validity of the remaining portions of this Ordinance or its application to other persons or circumstances.

Section 3. Effective Date. This Ordinance shall take effect five days after publication.

ADOPTED BY THE CITY COUNCIL OF THE CITY OF BURIEN, WASHINGTON, AT A REGULAR MEETING THEREOF THIS ____ DAY OF _____, 2016.

CITY OF BURIEN

Lucy Krakowiak, Mayor

EXHIBIT A
CABLE FRANCHISE AGREEMENT

This Cable Franchise Agreement (“Franchise”) is entered into in Burien, Washington, this ____ day of May, 2016 by and between the City of Burien, Washington, a municipal corporation, (hereinafter “City”) and Qwest Broadband Services, Inc. d/b/a/ CenturyLink (hereinafter “Grantee”). The City and Grantee are sometimes referred to hereinafter collectively as the “parties.”

WHEREAS, the Grantee, desires to provide cable communications services and to construct, operate and maintain a competitive cable television system within the City; and

WHEREAS, the City has reviewed Grantee’s application and has determined that Grantee’s plans for operating and maintaining its Cable System are adequate; and

WHEREAS, the public has had adequate notice and opportunity to comment on this Franchise during a public proceeding; and

WHEREAS, the City has a legitimate and necessary regulatory role in ensuring the availability of state-of-the-art cable communications service, the high technical capability and reliability of a cable system in the Franchise Area, the availability of local programming and quality customer service; and

WHEREAS, diversity in Cable Service is an important policy goal and the Grantee’s Cable System should offer a broad range of programming services; and

WHEREAS, flexibility to respond to changes in technology and Subscriber interests within the Cable Service market should be an essential characteristic of this Franchise; and

WHEREAS, the City is authorized by applicable law to grant one or more nonexclusive franchises to construct, operate and maintain a cable system within the boundaries of the City;

NOW, THEREFORE, in consideration of the mutual promises made herein, and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the City and Grantee do hereby agree as follows:

SECTION 1. DEFINITIONS

For the purposes of this Franchise and the Exhibit attached hereto, the following terms, phrases, words and their derivations shall have the meanings given herein. When not inconsistent with the context, words used in the present tense include the future, words in the plural include the singular, and words in the singular include the plural. Words not defined shall be given their common and ordinary meaning. The word “shall” is always mandatory and not merely directory.

1.1 “Access” means the availability for Non-Commercial use by various governmental and educational agencies, institutions, organizations, and other groups and individuals in the community, including the City and its designees, of particular Channels on the Cable System to distribute programming to Subscribers, as permitted under applicable law and this Franchise.

(A) “Public Access” means Access where the public is the primary user having editorial control over programming and services.

(B) "Educational Access" means Access where Schools are the primary users having editorial control over programming and services.

(C) "Government Access" means Access where governmental institutions or their designees are the primary users having editorial control over programming and services.

1.2 "Access Channel" means a Channel designated for Access purposes or otherwise made available to facilitate or transmit Access programming.

1.3 "Affiliate" when used in connection with Grantee means any Person who owns or controls, is owned or controlled by, or is under common ownership or control with Grantee.

1.4 "Bad Debt" means amounts lawfully owed by a Subscriber and accrued as revenues on the books of Grantee, but not collected after reasonable efforts by Grantee.

1.5 "Basic Service" means the lowest Tier of Cable Service that includes, at a minimum, the retransmission of local television Broadcast Signals and Access programming.

1.6 "Broadcast Signal" means a television signal transmitted over the air to a wide geographic audience, and received by an antenna, microwave, satellite dishes or any other means.

1.7 "Cable Act" means the Cable Communications Policy Act of 1984, as amended by the Cable Television Consumer Protection and Competition Act of 1992, and the Telecommunications Act of 1996, and any amendments thereto.

1.8 "Cable Operator" means any Person or groups of Persons, including Grantee, who provides Cable Service over the Cable System and directly or through one or more Affiliates owns a significant interest in such Cable System or who otherwise control(s) or is(are) responsible for, through any arrangement, the management and operation of such a Cable System.

1.9 "Cable Service" means the one-way transmission to Subscribers of Video Programming, or other programming service and Subscriber interaction, if any, which is required for the selection or use of such Video Programming or other programming service.

1.10 "Cable System" means the Grantee's facility in the Franchise Area, consisting of a set of closed transmission paths and associated signal generation, reception and control equipment that is designed to provide Cable Service which includes Video Programming and which is provided to multiple Subscribers within a community, but such term does not include (1) a facility that serves only to retransmit the television signals of one or more television broadcast stations; (2) a facility that serves Subscribers without using any public Right-of-Way; (3) a facility of a common carrier which is subject, in whole or in part, to the provisions of Title II of the federal Communications Act (47 U.S.C. 201 et seq.), except that such facility shall be considered a Cable System (other than for purposes of 47 U.S.C. 541(c)) to the extent such facility is used in the transmission of Video Programming directly to Subscribers, unless the extent of such use is solely to provide interactive on-demand services; (4) an open video system that complies with 47 U.S.C. 573; or (5) any facilities of any electric utility used solely for operating its electric utility systems.

1.11 "Channel" means a portion of the frequency band capable of carrying a Video Programming Service, an audio service or a combination of Video Programming services and audio services, whether delivered in an analog or digital format.

- 1.12 "City" means the City of Burien, Washington, a municipal corporation.
- 1.13 "Complaint" means a Subscriber contact with the Grantee to express a grievance or dissatisfaction concerning Cable Service that has been escalated by Grantee. Complaints do not include matters not within the regulatory control of the City. A Complaint may be verbal or in writing but need not include initial contacts where an issue is promptly resolved to the Subscriber's satisfaction.
- 1.14 "Designated Access Provider" means the entity or entities designated by the City to manage or co-manage Access Channels and facilities. The City may also be a Designated Access Provider.
- 1.15 "Dwelling Unit" means any residential building, or each portion thereof that has independent living facilities, including provisions for cooking, sanitation and sleeping and that is designed for residential occupancy. Buildings containing more than one set of facilities for cooking are multiple unit buildings unless the additional facilities are clearly accessory.
- 1.16 "Expanded Basic Service" means cable programming services not included in the Basic Service and excluding, for example, premium or Pay-Per View Services.
- 1.17 "FCC" means the Federal Communications Commission or its lawful successor.
- 1.18 "Franchise" means this document, a contractual agreement, and any amendments and modifications thereto executed between the City and Grantee, containing the specific provisions of the authorization granted to operate a Cable System in the City.
- 1.19 "Franchise Area" means the area within the jurisdictional boundaries of the City, including any areas annexed by the City during the term of this Franchise.
- 1.20 "Gross Revenues" means all revenue derived directly or indirectly by the Grantee, or by Grantee's Affiliates, from the operation of Grantee's Cable System to provide Cable Services in the Franchise Area. Gross Revenues include, by way of illustration and not limitation, monthly fees charged Subscribers for Cable Services including Basic Service and all other Tiers of Cable Service; Pay-Per-View Service; Cable Service installation, disconnection, change-in-service and reconnection fees, Leased Access Channel fees, late fees, payments received by the Grantee from programmers for carriage of Cable Services on the Cable System and recognized as revenue under generally accepted accounting principles ("GAAP"), revenues from rentals of Cable System equipment such as converters; advertising revenues; advertising sales commissions if recognized as revenue under GAAP; additional outlet fees, Franchise Fees, and revenues from home shopping Channels. Gross Revenues shall not include (i) Bad Debt, provided, however, that all or part of any such Bad Debt that is written off but subsequently collected shall be included in Gross Revenues in the period collected; (ii) the monthly Capital Contribution referenced in subsection 9.5 or (iii) any taxes on services furnished by the Grantee which are imposed directly on any Subscriber or user by the State, City or other governmental unit and which are collected by the Grantee on behalf of said governmental unit. The Franchise Fees are not such a tax and are therefore included in Gross Revenues.
- 1.21 "Headend" means Grantee's primary facility for signal reception and dissemination on the Cable System, including cables, antennas, wires, satellite dishes, monitors, switchers, modulators, processors and other related equipment.
- 1.22 "Leased Access Channel" means any Channel or portion of a Channel commercially available for programming in accordance with Section 612 of the Cable Act.

1.23 “Mosaic” or “Mosaic Channel” means a channel which displays miniaturized media screens and related information for a particular group of channels with common themes. The Mosaic Channel serves as a navigation tool for Subscribers, which displays the group of Access Channels on a single channel screen and also provides for easy navigation to a chosen Access Channel.

1.24 “Non-Commercial” means, in the context of Access Channels, that particular products and services are not promoted or sold for commercial gain. The term will not be interpreted to prohibit an Access Channel operator or programmer from soliciting and receiving financial support to produce and transmit Video Programming on an Access Channel, or from acknowledging a contribution.

1.25 “Pay-Per-View Service” means programming offered on a per-program or per-event basis for which a separate fee is charged.

1.26 “Person” means any individual, partnership, association, joint stock company, trust, corporation, governmental entity (but shall not mean the City) or other entity.

1.27 “Right-of-Way” or “Rights-of-Way” means the surface of, and the space above and below, any public street, highway, freeway, bridge, land path, alley, court, boulevard, sidewalk, way, lane, public way, drive, circle or other public Right-of-Way, including, but not limited to, utility easements, dedicated utility strips, or Rights-of-Way dedicated for compatible uses now or hereafter held by the City in the Franchise Area, which shall entitle the Grantee to the use thereof for the purpose of installing, operating, repairing, upgrading and maintaining the Cable System. Right-of-Way shall also mean any easement now or hereafter held by the City within the Franchise Area for the purpose of public travel or for utility or public service use dedicated for compatible uses.

1.28 “QC” means Qwest Corporation d/b/a CenturyLink, an Affiliate of Grantee.

1.29 “Qualified Unit” means a distinct address in the QC network inventory database, including, but not limited to, single family homes, multi-dwelling units, and business locations that meet the minimum technical qualifications defined by Grantee for provision of Cable Service.

1.30 “School” means any State accredited public educational institution including, for example, primary and secondary Schools (K-12).

1.31 “State” means the State of Washington.

1.32 “Subscriber” means any Person who lawfully receives Cable Service provided by Grantee by means of the Cable System and whose premises are physically wired and lawfully activated to receive Cable Service from Grantee’s Cable System.

1.33 “Tier” means a group of Channels for which a separate periodic rate is charged.

1.34 “Video Programming” means programming provided by, or generally considered comparable to programming provided by, cable programmers or a television broadcast station.

SECTION 2. GRANT OF FRANCHISE

2.1 Grant

(A) The City hereby grants to Grantee a nonexclusive Franchise authorizing the Grantee to construct and operate a Cable System in, along, among, upon, across, above, over, under, or in any manner connected with Rights-of-Ways within the Franchise Area, and for that purpose to install,

construct, repair, replace, reconstruct, maintain, or retain in, on, over, under, upon, across, or along any Right-of-Way such wires, cables, conductors, ducts, conduits, vaults, manholes, pedestals, amplifiers, appliances, attachments, and other related property or equipment and use existing poles as may be necessary or appurtenant for the deployment of Cable Services over the Cable System. This Franchise shall constitute both a right and an obligation to provide the Cable Services required by, and to fulfill the obligations set forth in, the provisions of this Franchise.

(B) Grantee, through this Franchise, is granted the right to operate its Cable System using the Rights-of-Way within the Franchise Area. Such use must be in compliance with all lawfully enacted and applicable Municipal Code provisions. In the event of a conflict between the Municipal Code and this Franchise, this Franchise shall control. Subject to federal and State preemption, the material terms and conditions contained in this Franchise may not be unilaterally altered by the City through subsequent amendments to any ordinance, regulation, resolution or other enactment of the City, except within the lawful exercise of the City's police power. The Grantee agrees to comply with all lawful and generally applicable City ordinances. Grantee has the right to challenge any City ordinance or regulation that conflicts with its rights under this Franchise. Grantee acknowledges that its rights hereunder are subject to the police powers of the City to adopt and enforce ordinances necessary to protect the health, safety and welfare of the public, and Grantee agrees to comply with all applicable general laws and ordinances enacted by the City pursuant to such power.

(C) This Franchise shall not be interpreted to prevent the City from lawfully imposing additional conditions, including additional compensation conditions for use of the Rights-of-Way, should Grantee provide service other than Cable Service and the City has the right to impose such additional conditions.

(D) Any Affiliate of Grantee directly involved in the offering or delivery of Cable Services in the Franchise Area, or directly involved in the management or operation of the Cable System in the Franchise Area, shall comply with the obligations of this Franchise. However, the Parties acknowledge that QC, an Affiliate of Grantee, will be primarily responsible for the construction and installation of the facilities in the Rights-of-Way which will be utilized by Grantee to provide Cable Service, including Cable Services utilizing QC's Fiber-to-the-Premises Network or Fiber-to-the-node infrastructure. So long as QC does not provide Cable Services to Subscribers in the City, QC will not be subject to the terms and conditions contained in this Franchise. QC's installation and maintenance of facilities in the Rights-of-Way shall otherwise be subject to applicable laws and permit requirements. To the extent Grantee uses any third-parties (whether or not affiliated with Grantee) to fulfill its obligations under this Franchise, Grantee shall ensure such parties comply with the terms and conditions of this Franchise. To the extent Grantee constructs and installs Facilities in the Rights-of-Way, such Facilities will be subject to the terms and conditions contained in this Franchise.

(E) No rights shall pass to Grantee by implication. Without limiting the foregoing, by way of example and not limitation, this Franchise shall not include or be a substitute for:

(1) Any other permit or authorization required for the privilege of transacting and carrying on a business within the City that may be required by the ordinances and laws of the City;

(2) Any permit, agreement or authorization required by the City for Rights-of-Way users in connection with operations on or in Rights-of-Way or public property including, by way of example and not limitation, street cut permits; or

(3) Any permits or agreements for occupying any other property of the City or private entities to which access is not specifically granted by this Franchise including, without limitation, permits and agreements for placing devices on poles, in conduits or in or on other structures.

(F) This Franchise is intended to convey limited rights and interests only as to those Rights-of-Way in which the City has an actual interest. It is not a warranty of title or interest in any Rights-of-Way; it does not provide the Grantee with any interest in any particular location within the Rights-of-Way; and it does not confer rights other than as expressly provided in the grant hereof.

(G) This Franchise expressly authorizes Grantee to provide only Cable Services as allowed by applicable law, and to construct, operate or maintain Cable Service facilities in the Franchise Area. This Franchise does not relieve Grantee of any obligation it may have to obtain from the City an authorization to provide non-Cable Services or relieve Grantee of its obligation to comply with any such authorization(s) that may be lawfully required. However, this Franchise shall not be read as a concession by the Grantee that it needs authorization to provide non-Cable Services.

2.2 Use of Rights-of-Way

Within parameters reasonably related to the City's role in protecting the public health, safety and welfare, the City may require that Cable System facilities be installed at a particular time, at a specific place or in a particular manner as a condition of access by Grantee to a particular Right-of-Way and may deny access if Grantee is not willing to comply with the City's requirements.

2.3 Duration

The term of this Franchise and all rights, privileges, obligations and restrictions pertaining hereto shall be five (5) years from the effective date of this Franchise, unless terminated or extended as hereinafter provided.

2.4 Effective Date

(A) This Franchise and the rights, privileges, and authority granted hereunder and the contractual relationship established hereby shall take effect and be in force from and after the effective date of this Franchise.

(B) The effective date of this Franchise shall commence _____, 2016 and run through midnight of _____, 2021. At the expiration of the initial term, the City may offer to extend this Franchise for an additional term of five (5) years by giving written notice to the Grantee, provided that there has not been a change in federal or State law which negatively impacts the City's ability to extend this Franchise. This Franchise may be extended for such additional term of five (5) years, subject to the written agreement of both parties.

2.5 Franchise Nonexclusive

This Franchise shall be nonexclusive, and subject to all prior rights, interests, easements, permits or licenses granted by the City to any Person to use any property for any purpose whatsoever, including the right of the City to use the same for any purpose it deems fit, including the same or similar purposes allowed Grantee hereunder. The City may at any time grant authorization to use the Rights-Of-Way for any purpose not incompatible with Grantee's authority under this Franchise and for such additional franchises for cable systems as the City deems appropriate.

2.6 Effect of Acceptance

By accepting the Franchise, the Grantee: (1) acknowledges and accepts the City's legal right to issue and enforce the Franchise; (2) agrees that it will not oppose the City's intervening, to the extent that the City

is legally entitled to do so, in any legal or regulatory proceeding affecting the Cable System; (3) accepts and agrees to comply with each and every provision of this Franchise; and (4) agrees that the Franchise was granted pursuant to processes and procedures consistent with applicable law, and that it will not raise any claim to the contrary.

2.7 Competitive Equity

(A) The Grantee acknowledges and agrees that the City reserves the right to grant one or more additional franchises to provide Cable Service within the Franchise Area; provided, the City agrees that it shall amend this Franchise to include any material terms or conditions that it makes available to the new entrant within ninety (90) days of the Grantee's request, so as to ensure that the regulatory and financial burdens on each entity are materially equivalent. "Material terms and conditions" include, but are not limited to: franchise fees; insurance; system build-out requirements; security instruments; Access channel and support; customer service standards; required reports and related record keeping; and notice and opportunity to cure breaches. If any such additional or competitive franchise is granted by the City which, in the reasonable opinion of the Grantee, contains more favorable or less burdensome terms or conditions than this Franchise, the City agrees that it shall amend this Franchise to include any more favorable or less burdensome terms or conditions in a manner mutually agreed upon by City and Grantee.

(B) In the event an application for a new cable franchise is filed with the City proposing to serve the Franchise Area, in whole or in part, the City shall serve or require to be served a copy of such application upon the Grantee by registered or certified mail or via nationally recognized overnight courier service.

(C) In the event that a wireline multichannel video programming distributor provides video service to the residents of the City under the authority granted by subsequent applicable federal or State legislation or a regulatory entity other than the City, the Grantee shall have a right to request Franchise amendments that relieve the Grantee of regulatory burdens that create a competitive disadvantage to the Grantee. In requesting amendments, the Grantee shall file a petition seeking to amend the Franchise. Such petition shall: (1) indicate the presence of such wireline competitor; (2) identify the basis for Grantee's belief that certain provisions of the Franchise place Grantee at a competitive disadvantage; and (3) identify the regulatory burdens to be amended or repealed in order to eliminate the competitive disadvantage. The City shall not unreasonably withhold consent to the Grantee's petition.

(D) The City and Grantee recognize and acknowledge that other cable franchises granted by the City might contain provisions and conditions that are different than the provisions and conditions that the Grantee has negotiated and accepted in this Franchise. Nothing in this Franchise shall be construed so as to require identical provisions and conditions in other cable franchises granted by the City.

SECTION 3. FRANCHISE FEES AND FINANCIAL CONTROLS

3.1 Franchise Fees

As compensation for the use of the City's Rights-Of-Way, Grantee shall pay as a franchise fee to the City, throughout the duration of this Franchise, an amount equal to five percent (5%) of Grantee's Gross Revenues. Accrual of such franchise fees shall commence as of the effective date of this Franchise. Grantee shall never be required to pay a franchise fee in a greater percentage than any other cable provider in the Franchise Area.

3.2 Payments

Grantee's franchise fee payments to the City shall be computed quarterly for the preceding quarter. Each payment shall be due and payable no later than thirty (30) days after the end of the preceding quarter,

after which time interest will accrue. The quarters shall end respectively on the last day of March, June, September and December.

3.3 Acceptance of Payment

No acceptance of any payment shall be construed as an accord by the City that the amount paid is, in fact, the correct amount, nor shall any acceptance of payments be construed as a release of any claim the City may have for further or additional sums payable or for the performance of any other obligation of Grantee.

3.4 Franchise Fee Reports

Each payment shall be accompanied by a written report to the City, verified by an authorized representative of Grantee, containing an accurate statement in summarized form which includes a breakdown by category of Grantee's Gross Revenues and the computation of the payment amount.

3.5 Audits

Upon forty-five (45) days prior written notice, the City shall have the right to conduct an annual independent audit of Grantee's records necessarily related to the enforcement of this Franchise and to recompute any amounts determined to be payable under this Franchise. If Grantee cooperates in making all relevant records available to the City, the City will attempt to complete each audit within six (6) months, and the audit period shall be no greater than the previous three (3) years, unless the City has information relating to previous years beyond the three (3) years which raises doubt as to the accuracy of payments made under this or previous franchises, in which case an additional three years may be audited. Any undisputed amounts due to the City as a result of the audit shall be paid within sixty (60) days following written notice to the Grantee by the City, which notice shall include a copy of the audit findings. If the audit shows that franchise fees have been underpaid by five percent (5%) or more in any calendar year, Grantee shall pay for the cost of the audit up to fifteen thousand dollars (\$15,000) for the first year of the audit period and seven thousand five hundred dollars (\$7,500) for each year thereafter.

If Grantee disputes all or part of the audit findings, then the parties shall meet in an attempt to resolve the matter. If the parties are unable to resolve the matter, then that matter may be referred to non-binding arbitration by either of the parties. Each party shall bear one-half of the costs and expenses of the arbitration proceedings. The decision of the arbitrator(s) shall be subject to judicial review at the request of either party.

3.6 Financial Records

Grantee agrees to meet with a representative of the City upon request to review Grantee's methodology of record-keeping, financial reporting, the computing of franchise fee obligations and other procedures, the understanding of which the City deems necessary for reviewing reports and records that are relevant to the enforcement of this Franchise.

3.7 Late Payments

In the event any payment due the City is not timely made, Grantee shall pay, in addition to the amount due, interest at the maximum allowed rate as provided under State law, from the payment due date until the City receives the payment.

3.8 Underpayments

If a franchise fee underpayment is discovered as the result of an audit, Grantee shall pay, in addition to the amount due, interest at the maximum allowed rate as provided under State law, calculated from the date the underpayment was originally due until the date the City receives the payment.

3.9 Maximum Franchise Fees

The parties acknowledge that, at present, applicable federal law limits the City to collecting a franchise fee of five percent (5%) of Gross Revenues in a 12-month period. In the event that at any time throughout the term of this Franchise, the City is authorized to collect an amount in excess of or less than five percent (5%) of Gross Revenues, then this Franchise shall be amended by the parties consistent with such change.

3.10 Additional Commitments Not Franchise Fees

No term or condition in this Franchise shall in any way modify or affect Grantee's obligation to pay franchise fees. Although the total sum of franchise fee payments and additional commitments set forth elsewhere in this Franchise may total more than five percent (5%) of Grantee's Gross Revenues in any 12-month period, Grantee agrees that the additional commitments herein are not franchise fees, nor are they to be offset or credited against any franchise fee payments due to the City, nor do they represent an increase in franchise fees to be passed through to Subscribers.

3.11 Alternative Compensation

In the event the obligation of Grantee to compensate the City through franchise fee payments is lawfully suspended or eliminated, in whole or part, then Grantee shall pay to the City such compensation as is required by law.

3.12 Payment on Termination

If this Franchise terminates for any reason, the Grantee shall file with the City within ninety (90) days of the date of the termination, a financial statement, prepared by a certified public accountant, showing the Gross Revenues received by the Grantee since the end of the previous fiscal year. Within thirty (30) days of the filing of the statement with the City, Grantee shall pay any unpaid franchise fee amounts as indicated. If the Grantee fails to pay its remaining financial obligations as required in this Franchise, the City may satisfy the same by utilizing the funds through any security provided by the Grantee.

3.13 Tax Liability

The franchise fees shall be in addition to any and all taxes or other levies or assessments which are now or hereafter required to be paid by businesses in general by any law of the City, the State or the United States including, without limitation, sales, use, utility, occupation and other taxes, business license fees or other payments. Payment of the franchise fees under this Franchise shall not exempt Grantee from the payment of any other license fee, permit fee, tax or charge on the business, occupation, property or income of Grantee that may be lawfully imposed by the City.

3.14 Bundling of Cable and Non-Cable Services

In no event will the Grantee unlawfully evade or reduce applicable franchise fee payments required to be made to the City due to discounted bundled services. Customer billing shall be itemized by service(s), and Grantee shall comply with all applicable laws regarding rates for Cable Services and all applicable laws covering issues of cross subsidization.

SECTION 4. ADMINISTRATION AND REGULATION

4.1 Authority

The City shall be vested with the power and right to administer and enforce the requirements of this Franchise and the regulations and requirements of applicable law, including the Cable Act, or to delegate that power and right, or any part thereof, to the extent permitted under law, to any agent in the sole discretion of the City.

Subject to 2.1(B), the Grantee and the City shall be entitled to all rights and be bound by all changes in Local, State and Federal law that occur subsequent to the effective date of this Franchise. The Grantee and the City acknowledge that their rights and obligations under this Franchise are explicitly subject to all such changes.

4.2 Rate Regulation

All of Grantee's rates and charges related to or regarding Cable Services shall be subject to regulation by the City to the full extent authorized by applicable federal and state laws, and local laws not in conflict with this Franchise.

4.3 No Rate Discrimination

All of Grantee rates and charges shall be published (in the form of a publicly-available rate card), and shall be nondiscriminatory for all Persons of similar classes, under similar circumstances and conditions. Nothing herein shall be construed to prohibit:

- (A) The temporary reduction or waiving of rates or charges in conjunction with valid promotional campaigns;
- (B) The offering of reasonable discounts to similarly situated Persons; or
- (C) The offering of bulk discounts for Multiple Dwelling Units.

4.4 Low Income Discount

Grantee shall provide reasonable needs-based discounts on Cable Services of not less than the amount provided by other Cable Operators serving the City as of the Effective Date of this Franchise, at a minimum to Subscribers that qualify for discounts under the Federal Lifeline/Link-up program. This subsection shall not prohibit Grantee from providing a larger discount or offering the discount to other economically or physically challenged Subscribers. If the incumbent cable operator increases the percentage of its needs-based discount, upon 90 days' notice Grantee will provide a similar percentage needs-based discount.

4.5 Performance Evaluations

- (A) Upon written notification, the City may hold performance evaluation sessions whenever necessary to ensure proper performance of the provisions of this Franchise.
- (B) Special evaluation sessions may be held at any time by the City during the term of this Franchise.
- (C) All evaluation sessions shall be open to the public.
- (D) Subject to Section 7.2, topics which may be discussed at any evaluation session include, but are not limited to, Subscriber figures for each classification of service, construction issues, Cable Service rate structures, franchise fee payments, liquidated damages, free or discounted Cable Service, application of new technologies, Cable System performance, Cable Services currently provided and programming offered, future plans of Grantee for new services or programs, Subscriber Complaints, privacy, modifications to this Franchise, judicial and FCC rulings, line extension policies, and the City's or Grantee's rules; provided that nothing in this subsection shall be construed as requiring the renegotiation of this Franchise.

(E) Subject to Section 7.2, during evaluations under this subsection, Grantee shall fully cooperate with the City and shall provide such information and documents as the City may reasonably require to perform the evaluation.

4.6 Leased Access Channel Rates

Grantee shall offer Leased Access Channel capacity on such terms and conditions and rates as may be negotiated with each lessee, subject to the requirements of Section 612 of the Cable Act. Upon request, Grantee shall provide a complete schedule of current rates and charges for any and all Leased Access Channels, or portions of such Channels, provided by Grantee.

4.7 Late Fees

(A) For purposes of this subsection, any assessment, charge, cost, fee or sum, however characterized, that the Grantee imposes upon a Subscriber solely for late payment of a bill is a late fee and shall be applied in accordance with applicable local, State and federal laws.

(B) The Grantee's late fee and disconnection policies and practices shall be nondiscriminatory, and such policies and practices, and any fees imposed pursuant to this subsection, shall apply equally in all parts of the City without regard to the neighborhood or income level of the Subscribers.

4.8 Reserved Authority

The City reserves all of its rights and authority arising from the Cable Act and any other relevant provisions of federal, State or local laws.

4.9 Time Limits Strictly Construed

Whenever this Franchise sets forth a time for any act to be performed by Grantee, the time shall be deemed to be of the essence, and any failure of Grantee to perform within the allotted time may be considered a breach of this Franchise.

SECTION 5. INDEMNIFICATION AND INSURANCE REQUIREMENTS

5.1 Indemnification

(A) General Indemnification. Grantee shall indemnify, defend and hold harmless the City, City Council, and any of the City's officers, officials, boards, commissions, agents and employees acting in an official capacity from any action, claim, damage, loss, liability, cost or expense, including court costs and reasonable attorneys' fees and expenses, arising from the death of or injury to any Person, casualty or accident to equipment or property, and all other damages arising out of, or by reason of, any construction, excavation, operation, maintenance, repair, reconstruction, upgrade, rebuild, upkeep or removal of the Cable System, by or for Grantee, its agents or employees, or by reason of any neglect or omission of Grantee, its agents or employees, except for injuries and damages caused by the sole negligence of the City.

(B) Procedures and Defense. The City shall give the Grantee written notice of any claim or of the commencement of any action, suit or other proceeding covered by the indemnity in this subsection 5.1. If a claim or action arises, the City or any other indemnified party shall then tender the defense of the claim to Grantee, which defense shall be at Grantee's expense. The City may participate in the defense of a claim and, in any event, Grantee may not agree to any settlement of claims financially affecting the City without the City's prior written approval which shall not be unreasonably withheld.

(C) Grantee's Duties. The fact that Grantee carries out any activities under this Franchise through independent contractors shall not constitute an avoidance of or defense to Grantee's duties of defense and indemnification under this subsection 5.1.

(D) Other Counsel. If separate representation to fully protect the interests of both parties is necessary, such as a conflict of interest between the City and the counsel selected by Grantee to represent the City, Grantee shall select additional counsel with no conflict with the City.

5.2 Insurance Requirements

(A) General Requirement. Grantee must have adequate insurance during the entire term of this Franchise to protect the City against claims for death or injuries to Persons or damages to property or equipment which in any way relate to, arise from or are connected with this Franchise, or involve Grantee, its agents, representatives, contractors, subcontractors and their employees.

(B) Minimum Insurance Limits. The Grantee shall maintain the following insurance limits:

(1) Commercial General Liability: \$2,000,000 per occurrence, \$2,000,000 general aggregate and \$1,000,000 products/completed operations aggregate.

(2) Automobile Liability: \$2,000,000 combined single limit.

(3) Workers Compensation Insurance limits in accordance with State law requirements.

(4) Excess or Umbrella Liability: \$5,000,000 each occurrence and \$5,000,000 policy limit.

(C) Endorsements.

(1) Commercial General Liability insurance policies are to contain, or be endorsed to contain, the following:

(a) The Grantee's insurance coverage shall be primary insurance with respect to the City. Any insurance, self-insurance, or insurance pool coverage maintained by the City shall be in excess of the Grantee's insurance and shall not contribute to it.

(b) The Grantee's insurance shall name the City as an additional insured.

(2) The insurance provided herein shall not be canceled or the limits reduced so as to be out of compliance with the requirements of this subsection 5.2 without thirty (30) days written notice, certified mail, return receipt requested, first being given to the City. If the insurance is canceled or reduced in coverage, Grantee shall provide a replacement policy.

(D) Acceptability of Insurers. The insurance obtained by Grantee shall be placed with insurers with a Best's rating of no less than "A VII".

(E) Verification of Coverage. The Grantee shall furnish the City with signed certificates of insurance and a copy of the amendatory endorsements, including, but not necessarily limited to, the additional insured endorsement, evidencing the Automobile Liability, Commercial General Liability and Umbrella or Excess insurance of the Grantee upon acceptance of this Franchise. The certificate for each insurance policy is to be signed by a Person authorized by that insurer to bind coverage on its behalf. The

certificate for each insurance policy must be on standard forms or on such forms as are consistent with standard industry practices. The Grantee hereby warrants that its insurance policies satisfy the requirements of this Franchise.

(F) **No Limitation.** Grantee's maintenance of insurance policies required by this Franchise shall not be construed to excuse unfaithful performance by Grantee or limit the liability of Grantee to the coverage provided in the insurance policies, or otherwise limit the City's recourse to any other remedy available at law or in equity.

5.3 Bond

(A) Grantee shall provide to the City a faithful performance bond in the amount of two hundred fifty thousand dollars (\$250,000).

(B) Grantee's maintenance of the bond shall not be construed to excuse unfaithful performance by Grantee, or limit the liability of Grantee to the amount of the bond, or otherwise limit the City's recourse to any other remedy available at law or in equity.

SECTION 6. CUSTOMER SERVICE

6.1 Customer Service Standards

City and Grantee recognize the importance of customer service in the grant of this Franchise. Grantee shall comply with customer service standards as the same may be adopted and amended from time to time by the City Council. Grantee reserves the right to challenge any customer service standard that it believes is inconsistent with its contractual rights granted pursuant to this Franchise or State or federal law. Grantee and the City shall work cooperatively in an effort to develop those standards.

6.2 Subscriber Privacy

Grantee will comply with privacy rights of Subscribers in accordance with federal, State and local laws.

SECTION 7. REPORTS AND RECORDS

7.1 Open Records

The City shall have access to, and the right to inspect, any books and records of Grantee and its Affiliates which are reasonably necessary to monitor and enforce Grantee's compliance with the provisions of this Franchise at the Grantee's regional business office, during normal business hours, and without unreasonably interfering with Grantee's business operations. The City may, in writing, request copies of any such records or books that are not identified as proprietary or confidential, and Grantee shall provide such copies within thirty (30) days of the transmittal of such request. One copy of all reports and records required under this or any other Section shall be furnished to the City at the sole expense of Grantee. If the requested books and records are too voluminous, or identified as proprietary and confidential, or for security reasons cannot be copied or removed, then the City shall inspect them at Grantee's regional office. If any books or records of Grantee are not kept in a regional office and not made available in copies to the City upon written request as set forth above, and if the City determines that an examination of such records is necessary for the enforcement of this Franchise, then all reasonable travel expenses incurred in making such examination shall be paid by Grantee.

7.2 Confidentiality

Grantee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose books and records of any Affiliate of Grantee that is not providing Cable Service in the Franchise Area. The City agrees to keep confidential any proprietary or confidential books or records of Grantee to the extent permitted by law. For confidential or proprietary books and

records, Grantee shall accommodate the review of those books and records through a Non-Disclosure Agreement negotiated with the City or its designated third-party consultant. Grantee shall be responsible for clearly and conspicuously identifying the records as confidential or proprietary, and shall provide a brief written explanation as to why such information is confidential or proprietary and how it may be treated as such under State or federal law. The Grantee shall not be required to provide Customer information in violation of Section 631 of the Cable Act or any other applicable federal or State privacy law. For purposes of this subsection, the terms "proprietary or confidential" include, but are not limited to information relating to the Cable System design, customer lists, marketing plans, financial information unrelated to the calculation of franchise fees or rates pursuant to FCC rules, or other information that is reasonably determined by the Grantee to be competitively sensitive. If the City receives a demand from any Person for disclosure of any information designated by Grantee as confidential, the City shall, so far as consistent with applicable law, advise Grantee and provide Grantee with a copy of any written request by the Person demanding access to such information within five (5) business days. While it is not a legal obligation, the City, as a courtesy, will allow Grantee up to ten (10) business days to obtain and serve the City with a court injunction to prevent the City from releasing the Documents. If Grantee fails to obtain a Court order and serve the City within the ten (10) business days, the City may release the Documents. The City will not assert an exemption from disclosure on Grantee's behalf.

7.3 Maps and Records Required

Grantee shall make available to the City upon request:

(A) A route map that depicts the general location of the Cable System facilities placed in the Rights-of-Way. The route map shall identify Cable System facilities as aerial or underground and is not required to depict cable types, number of cables, electronic equipment, and service lines to individual Subscribers. The Grantee shall also provide, if requested, an electronic format of the aerial/underground facilities in relation to the Right-of-Way centerline reference to allow the City to add this information to the City's GIS program;

(B) A copy of all FCC filings which relate to the operation of the Cable System in the Franchise Area; and

(C) A list of Grantee's Cable Services, rates and Channel line-up.

7.4 Submittal of Documents

Upon written request, Grantee shall submit to the City a copy of any application, notification, communication or document of any kind, submitted by Grantee or its Affiliates to any federal, State or local courts, regulatory agencies and other governmental bodies if such document directly relates to the operations of Grantee's Cable System within the Franchise Area. Grantee shall submit such documents to the City no later than forty-five (45) days after receipt of the City's request. Grantee shall not claim confidential, privileged or proprietary rights to such documents unless under federal, State, or local law such documents have been determined to be confidential by a court of competent jurisdiction, or a federal or State agency.

7.5 Annual Reports

Upon request, thirty (30) days after the end of the first quarter, Grantee shall submit to the City a written report, which shall include the following information:

(A) The most recently completed annual corporate report;

(B) A Gross Revenue statement for the preceding fiscal year and all deductions and computations for the period, and such statement shall be reviewed by a certified public accountant, who may also be the chief financial officer or controller of Grantee;

(C) A summary of the previous year's activities regarding the development of the Cable System, including, but not limited to, homes passed, beginning and ending plant miles, any technological changes occurring in the Cable System and the number of Subscribers for each class of Cable Service (i.e., Basic, Expanded Basic Service, premium, etc.);

(D) An executive summary of Subscriber Complaints received in the previous year.

7.6 False Statements

Any intentional false or misleading statement or representation in any report required by this Franchise shall be a material breach of this Franchise and may subject Grantee to all remedies, legal or equitable, which are available to the City under this Franchise or otherwise.

7.7 Failure to Report

The failure or neglect of Grantee to file any of the information required under this Franchise (not including clerical errors or errors made in good faith) may, at the City's option, be deemed a breach of this Franchise.

SECTION 8. PROGRAMMING

8.1 Broad Programming Categories

Grantee shall provide at least the following initial broad categories of programming to the extent such categories are reasonably available:

- (A) News, weather and information;
- (B) Sports;
- (C) General entertainment including movies;
- (D) Children, family oriented;
- (E) Arts, culture and performing arts; and
- (F) Science/documentary.

8.2 Deletion of Broad Programming Categories

Grantee shall not delete or so limit as to effectively delete any broad category of programming within its control without prior written notice to the City.

8.3 Ascertainment of Customer Satisfaction

In the event Grantee conducts an ascertainment survey related to Franchise renewal under the guidelines of Section 626 of the Cable Act, Grantee agrees to provide, upon request, the results of said ascertainment survey to the City within thirty (30) days of the completion thereof.

8.4 Parental Control Device

Upon request by any Subscriber, Grantee shall make available a parental control or lockout device, trap or filter to enable a Subscriber to control access to both the audio and video portions of any or all

Channels. Grantee shall inform its Subscribers of the availability of the lockout device at the time of their initial subscription and periodically thereafter. Such devices, traps or filters will be provided at no charge to the Subscriber, unless otherwise provided by federal law.

SECTION 9. ACCESS

9.1 Access Channels

For the purpose of meeting the community's need for Access programming, within 180 days of the acceptance of this Franchise, or other mutually agreed upon date, Grantee shall make available and maintain throughout the term of this Franchise the following Access Channels throughout the Franchise Area:

one (1) Government Access Channel; and

one (1) Public Access Channel which may carry either local or regional programming and recognizing that the Grantee does not exercise any editorial control over the programming content of this Channel.

Grantee shall make available in high definition format any high definition PEG Access programming that it receives from the City in that format. If newly implemented, high definition PEG Access programming would begin within 180 days or other mutually agreeable date.

The City acknowledges that the Grantee's Cable System provides additional benefits to Access programming needs beyond the requirements listed above. This is accomplished through the inclusion of other regional access programming within the regional channel line-up that services the Franchise Area. The Grantee will endeavor to provide the Subscribers in the Franchise Area with the other regional access channels so long as the programmers offer them for use on the Cable System. Access to other regional programming may be done through the use of a Mosaic Channel. Grantee will provide the same number of Access Channels as the incumbent cable operator.

If Grantee makes a change in its Cable System and related equipment and facilities, or in its signal delivery technology, which directly or indirectly affects the signal quality or method or type of transmission of Access programming or services, Grantee shall take all necessary technical steps and provide necessary technical assistance, including the acquisition of all necessary equipment, up to the point of demarcation to ensure that the capabilities of the Access Channels and delivery of Access programming are not diminished or adversely affected by such change. For example, live and taped programming must be cablecast with as good or better signal quality than existed prior to such change.

9.2 Additional Access Channel

In addition to the Access Channels referenced in subsection 9.1 above, the City may require Grantee to make available an additional Access Channel as established by the triggers set forth below:

One (1) additional channel shall be made available for Government Access use when the Government Access Channel required above is used for original programming (excluding character generated and filler programming, e.g., AM/FM radio programming) during fifty percent (50%) of the hours between 10:00 a.m. and 10:00 p.m., five (5) days per week during any consecutive twelve (12) week period. The programming shall generally be distinct and non-repetitive of the previous channel. Based upon this criteria, the Grantee shall, within 180 days following a written request by the City, make available an additional Access Channel. At no time during the life of this Franchise, shall Grantee be required to carry a greater number of Access Channels than what is being carried by the incumbent provider.

9.3 Management and Control of Access Channels

(A) The City may authorize Designated Access Providers to control, operate and manage the use of any and all Access facilities provided by Grantee under this Franchise, including, without limitation, the operation of Access Channels. The City or its designee may formulate rules for the operation of the Access Channels, consistent with this Franchise.

(B) Regarding the City's and Designated Access Providers use of Access facilities and Access Channels, Grantee shall fully cooperate with requests from the City, and provide all necessary assistance related thereto.

(C)'' If the City desires to relocate or expand its existing fiber optic return line(s) to new location(s) over the term of this Franchise, upon one hundred eighty (180) days written request by the City and at the City's cost for Grantee's reasonable time and materials, the Grantee shall construct the requested new fiber optic return line(s).

9.4 Location and Quality of Access Channels

(A) All Access Channels provided to Subscribers under this Franchise shall be included by Grantee as a part of the Basic Service Tier or as otherwise provided by federal law. Grantee may place the Access Channels on a Mosaic Channel.

(B) Grantee shall provide as much notice as possible but not less than sixty (60) days advance written notice to the City prior to any relocation of a Government or Public Access Channel. In connection with the movement of those Access Channels to other Channel numbers, Grantee shall provide a bill message on subscriber bills.

(C) Any Access Channels shall have at least the same transmission quality as is used to carry any of the commercial Channels that deliver programming on the Cable System. The Grantee shall provide Headend and hub equipment and routine maintenance and repair and replace, if necessary, any of Grantee's equipment required to carry the Access signal to and from the City's demarcation point and any other Access origination point and the Grantee's Headend and hubs for the Access Channels.

9.5 Monthly Capital Contribution

Grantee shall collect and remit \$0.25 per Subscriber per month capital contribution to the City for Access purposes including, without limitation, for equipment purchases, construction and relocation costs on a quarterly basis at the same time as Franchise Fees are paid. Upon forty-five (45) days written notice, the monthly amount may be adjusted, upon approval by the City Council, but in no event shall the monthly amount exceed \$0.25. Grantee shall not be responsible for paying the Capital Contribution with respect to gratis or Bad Debt accounts. The City shall have discretion to allocate the Capital Contribution in accordance with applicable law. To the extent the City makes Access capital investments using City funds prior to receiving the monthly Capital Contribution funds, the City is entitled to apply the subsequent monthly Capital Contribution payments from Grantee toward such City capital investments. Also, Grantee acknowledges and voluntarily agrees that the capital contribution(s) in this subsection can be used by the City for Access operating support or any other Access Channel related purpose. Grantee further agrees that during this Franchise or any renewal or extension thereof, if the City chooses to use any part of the capital contribution(s) for Access operating purposes, Grantee will not deduct any such amounts from its Franchise fee payments owed to the City. Grantee forever waives any right it may have under applicable law to offset the capital contribution(s) (if used by the City for any Access capital or operating purposes) against Franchise fee payments owed to the City.

The City agrees that the capital contribution may be treated as external costs under applicable federal law. On an annual basis, the City or its designee shall provide Grantee a statement showing the Capital Contribution account balance, the amount expended including a detailed list of purchases, and the interest earned. Grantee shall never be required to collect and remit a different monthly per Subscriber capital contribution amount than being collected from the incumbent cable provider from its subscribers as a capital contribution. The monthly Access amount is not part of gross revenues.

The City shall dedicate the time, personnel and other resources needed to operate the Government Access Channel designated herein.

SECTION 10. GENERAL RIGHT-OF-WAY USE AND CONSTRUCTION

10.1 Right to Construct

Subject to the other provisions of this Franchise, Grantee may perform all construction in the Rights-of-Way for any facility needed for the maintenance, operation or extension of Grantee's Cable System.

10.2 Right-of-Way Meetings

Subject to receiving advance notice, Grantee will make reasonable efforts to attend and participate in meetings of the City regarding Right-of-Way issues that may impact the Cable System.

10.3 General Standard

All work authorized and required hereunder shall be done in a safe, thorough and workmanlike manner. All equipment shall be durable and installed and maintained in accordance with good engineering practices and comply with applicable law.

10.4 Joint Trenching

Grantee agrees to cooperate with others to minimize adverse impacts on the Rights-of-Way through joint trenching and other arrangements.

10.5 Movement of Facilities During Emergencies

During emergencies, except those involving imminent danger to the public health, safety or welfare, the City shall provide notice to Grantee, at a designated emergency response contact number, to allow Grantee the opportunity to respond and rectify the problem without disrupting Cable Service. If after providing notice, there is no immediate response, the City may move Grantee's facilities.

10.6 One Call

The Grantee or QC shall, at its own expense, participate in the call before you dig program required under State Law.

10.7 Permits Required

Prior to doing any work in the Right-of-Way or other public property (with the exception of installations and general maintenance that involves no construction and with no disruption to the use of the Right-of-Way or other public property), Grantee shall apply for, and obtain, in advance, appropriate permits from the City. As part of the permitting process, the City may impose such conditions and regulations as are necessary for protecting any structures in such Rights-of-Way, and for providing for the proper restoration of such Rights-of-Way and to protect the public and the continuity of pedestrian or vehicular traffic. Grantee shall pay all generally applicable fees for the requisite City permits.

10.8 Emergency Permits

In the event that emergency repairs are necessary, Grantee shall immediately notify the City of the need for such repairs. Grantee may initiate such emergency repairs, and shall apply for appropriate permits within forty-eight (48) hours after discovery of the emergency.

10.9 Submittal of Plans

No activities by Grantee shall occur within the Rights-of-Way of the City unless plans therefore shall have been first submitted to the City.

10.10 Compliance with Applicable Codes

(A) City Codes. Grantee shall comply with all applicable City codes, including, without limitation, construction codes, building codes, the Fire Code and zoning codes and regulations.

(B) Regulations and Safety Codes. Grantee shall comply with all applicable federal, State and City safety requirements, rules, regulations, laws and practices. By way of illustration and not limitation, Grantee shall comply with the National Electric Code, National Electrical Safety Code and Occupational Safety and Health Administration (OSHA) Standards.

10.11 Least Interference

Work in the Right-of-Way, or on other public property, shall be done in a manner that causes the least interference with the rights and reasonable convenience of property owners and residents. Grantee's Cable System shall be constructed and maintained in such a manner as not to interfere with sewers, water pipes or any other property of the City, or with any other pipes, wires, conduits, pedestals, structures or other facilities that may have been laid in the Rights-of-Way by, or under, the City's authority. The Grantee's Cable System shall be located, erected and maintained so as not to endanger or interfere with the lives of Persons, or to interfere with new improvements the City may deem proper to make or to unnecessarily hinder or obstruct the free use of the Rights-of-Way or other public property, and shall not interfere with travel and use of public places by Persons during the construction, repair, operation or removal thereof. In the event of such interference, the City may require the removal or relocation of Grantee's lines, cables, equipment and other appurtenances from the property in question at Grantee's expense.

10.12 Prevent Injury/Safety

Grantee shall provide and use any equipment and facilities necessary to control and carry Grantee's signals so as to prevent injury to the City's property or property belonging to any Person. Grantee shall repair, change and improve its facilities to keep them in good repair, and safe and presentable condition. All excavations made by Grantee in the Rights-of-Way shall be properly safeguarded for the prevention of accidents.

10.13 Notice to Private Property Owners

Except in the case of an emergency involving public safety, or where there is approval through a service request or other lawful means, Grantee shall give reasonable advance notice to private property owners or tenants of construction work on or adjacent to such private property.

10.14 Poles and Undergrounding Requirements

(A) If all of the wires and lines of electric and telephone service providers in any given area within the Franchise Area are now or in the future placed underground, the Grantee consistent with RCW 35.99.060, shall place its Cable System distribution cables underground. In any part of the Franchise Area where the wires and lines of the electric and telephone service providers are both aerial and underground, the Grantee shall have the discretion to construct, operate, and maintain all of its distribution cables, or

any part thereof, aerially or underground. In areas where the electric and telephone service providers wiring is aerial, the Grantee may install aerial cable, except when a property owner or resident requests underground installation and agrees to bear the additional cost in excess of aerial installation. Nothing in this subsection shall be construed to require the Grantee to construct, operate, or maintain underground any ground-mounted appurtenances such as power supplies, or pedestals. Cable System equipment such as pedestals may be accompanied by landscaping and screening which, if required by the City, will meet with the approval of the City on a case by case basis. Grantee shall not erect or reinstate any poles within the Rights-of-Way of the City for operation of its Cable System.

(B) This Franchise does not grant, give or convey to the Grantee the right or privilege to install its facilities in any manner on poles or equipment of the City or of any other Person.

(C) The Grantee and the City recognize that situations may occur in the future where the City may desire to place its own conduit and fiber optic cable in trenches or bores opened by the Grantee. The Grantee agrees to cooperate with the City in any such construction that involves trenching or boring. The Grantee shall allow the City to lay City conduit and fiber optic cable in the Grantee's trenches and bores, provided that the City and Grantee enter into a mutually acceptable cost sharing arrangement consistent with State law. The City shall be responsible for maintaining its respective conduit and fiber optic cable, which is buried in the Grantee's trenches and bores.

10.15 Restoration of Property

(A) If damage occurs, the Grantee shall attempt to promptly notify the property owner within twenty-four (24) hours.

(B) If in connection with the construction, operation, maintenance, upgrade, repair or replacement of the Cable System, the Grantee disturbs, alters, or damages any public or private property, the Grantee agrees that it shall at its own cost and expense pay for any damage and replace and restore any such property to a condition reasonably comparable to the condition existing immediately prior to the disturbance. Whenever Grantee disturbs or damages any Right-of-Way or other public property, Grantee shall complete the restoration work within forty-eight (48) hours or as authorized by the City's Public Works Director or designee.

(C) Grantee shall warrant any restoration work performed by or for Grantee in the Right-of-Way or on other public property for one (1) year, unless a longer period is required by the Municipal Code or any generally applicable ordinance or resolution of the City. If restoration is not satisfactorily and timely performed by the Grantee, the City may, after prior notice to the Grantee, or without notice where the disturbance or damage may create a risk to public health or safety, cause the repairs to be made and recover the reasonable cost of those repairs from the Grantee. Within thirty (30) days of receipt of an itemized list of those costs, including the costs of labor, materials and equipment, the Grantee shall pay the City.

10.16 Movement of Cable System Facilities

(A) Relocation at Request of the City. Upon thirty (30) days prior written notice to Grantee, and consistent with RCW 35.99.060, the City shall have the right to require Grantee to relocate any part of the Cable System within the Rights-of-Way when the safety, health or welfare of the public requires such change, and the expense thereof shall be paid by Grantee. Should Grantee fail to remove or relocate any such facilities by the date established by the City, the City may effect such removal or relocation, and the expense thereof shall be paid by Grantee, including all costs and expenses incurred by the City due to Grantee's delay. If the City requires Grantee to relocate its facilities located within the Rights-of-Way, the City shall make a reasonable effort to provide Grantee with an alternate location within the Right-of-

Way. If public funds are available to any Person using such Rights-of-Way for the purpose of defraying the cost of any of the foregoing, the Grantee may make application for such funds.

(B) In the case of relocation projects where the City hires and designates an independent contractor to accommodate and coordinate the conversion of overhead utilities within a City capital improvement project and the Grantee decides to participate in the joint trench opportunity or fails to remove its facilities from the Rights-of-Way by the date established by the City, then the Grantee consistent with RCW 35.99.060 shall participate in the joint trenching portion of the project and Grantee shall pay to the City Grantee's portion of the traffic control and trench costs, including excavation and other associated costs, trench bedding, and backfill commensurate with Grantee's proportionate share of trench usage. Alternatively, if bids from the City's contractor for placement of Grantee's conduits and vaults/pedestals in the supplied joint trench, in the reasonable estimation of the Grantee, are not acceptable, the Grantee shall have the option to utilize contractor(s) of its choice to complete the required work. The City's contractor shall coordinate with the Grantee's contractor(s) to provide reasonable notice and time to complete the placement of the Grantee's facilities in the supplied joint trench.

(C) Nothing in this Franchise shall prevent the City from constructing any public work or capital improvement. Further, consistent with RCW 35.99.060, the City shall have the right to require Grantee to relocate, remove, replace, modify or disconnect Grantee's facilities and equipment located in the Rights-of-Way or on any other property of the City in the event of an emergency or when necessary to protect or further the health, safety or welfare of the general public, and such work shall be performed at Grantee's expense. Except during an emergency, the City shall provide reasonable notice to Grantee, not to be less than thirty (30) days, and allow Grantee the opportunity to perform such action. In the event of any capital improvement project exceeding \$500,000 in expenditures by the City which requires the removal, replacement, modification or disconnection of Grantee's facilities or equipment, the City shall provide at least sixty (60) days written notice to Grantee. Following notice by the City, Grantee shall relocate, remove, replace, modify or disconnect any of its facilities or equipment within any Right-of-Way, or on any other property of the City.

(D) If the Grantee fails to complete the above work within the time prescribed by the City, given the nature and extent of the work, or if it is not done to the City's reasonable satisfaction, the City may cause such work to be done and bill the reasonable cost of the work to the Grantee, including all reasonable costs and expenses incurred by the City due to Grantee's delay. In such event, the City shall not be liable for any damage to any portion of Grantee's Cable System. Within thirty (30) days of receipt of an itemized list of those costs, the Grantee shall pay the City.

10.17 Movement of Cable System Facilities for Others

(A) If any removal, replacement, modification or disconnection of the Cable System is required to accommodate the construction, operation or repair of the facilities or equipment of another City franchise holder(s), consistent with RCW 35.99.060, Grantee shall, after at least thirty (30) days advance written notice, take action to effect the necessary changes requested by the responsible entity, as long as, the other franchise holder(s) pay for the Grantee's time and material costs associated with the project and Grantee is issued a permit for such work by the City.

(B) The Grantee shall, upon reasonable prior written request of any Subscriber, relocate its aerial distribution cable facilities underground, as long as, the Subscriber pays for the Grantee's time and material costs associated with the project and Grantee is issued a permit for such work by the City.

(C) In the event an underground conversion of cable facilities is required as part of the street improvement condition(s) of a land use development, not associated with a City designated capital improvement project, this Franchise shall in no way limit the Grantee's right to recoup all time and

material costs associated with the underground conversion of the Cable System from the Person responsible for the project, pursuant to RCW 35.99.060.

10.18 Temporary Changes for Other Permittees

At the request of any Person holding a valid permit and upon reasonable advance notice, Grantee shall temporarily raise, lower or remove its wires as necessary to permit the moving of a building, vehicle, equipment or other item. The expense of such temporary changes must be paid by the permit holder.

10.19 Reservation of City Use of Right-of-Way

Nothing in this Franchise shall prevent the City from constructing sewers; grading, paving, repairing or altering any Right-of-Way; laying down, repairing or removing water mains; or installing conduit or fiber optic cable.

10.20 Tree Trimming

The Grantee shall have the authority to conduct minimal pruning and trimming for access to Cable System facilities in the Rights-of-Way subject to compliance with the City Code. In situations involving tree trimming activities for construction activities on its Cable System lines in the Rights-of-Way, the Grantee shall coordinate the trimming with the City per the City Code. All such trimming shall be done at the Grantee's sole cost and expense. The Grantee shall be responsible for any damage caused by such trimming.

10.21 Inspection of Construction and Facilities

The City may inspect any of Grantee's facilities, equipment or construction within the Rights-of-Way and on other public property upon at least twenty-four (24) hours' notice, or, in case of an emergency, upon demand without prior notice. If an unsafe condition is found to exist, the City, in addition to taking any other action permitted under applicable law, may order Grantee to make the necessary repairs and alterations specified therein forthwith to correct the unsafe condition by a time the City establishes. The City has the right to inspect, repair and correct the unsafe condition if Grantee fails to do so, and to reasonably charge Grantee therefore.

10.22 Stop Work

(A) On notice from the City that any work is being performed by Grantee contrary to the provisions of this Franchise, or in an unsafe or dangerous manner as reasonably determined by the City, or in violation of the terms of any applicable permit, laws, regulations, ordinances or standards, the work may immediately be stopped by the City.

(B) The stop work order shall:

- (1) Be in writing;
- (2) Be given to the Person doing the work and be posted on the work site;
- (3) Be sent to Grantee by overnight delivery at the address given herein;
- (4) Indicate the nature of the alleged violation or unsafe condition; and
- (5) Establish conditions under which work may be resumed.

10.23 Work of Contractors and Subcontractors

Grantee's contractors and subcontractors shall be licensed and bonded in accordance with the City's and State's regulations and requirements. Work by contractors and subcontractors is subject to the same restrictions, limitations and conditions as if the work were performed by Grantee. Grantee shall be responsible for all work performed by its contractors and subcontractors and others performing work on its behalf as if the work were performed by it, and shall ensure that all such work is performed in compliance with this Franchise and other applicable laws, and shall be jointly and severally liable for all damages and correcting all damage caused by them. It is Grantee's responsibility to ensure that contractors, subcontractors or other Persons performing work on Grantee's behalf are familiar with the requirements of this Franchise and other applicable laws governing the work performed by them.

SECTION 11 CABLE SYSTEM ARCHITECTURE TECHNICAL STANDARDS

11.1 Subscriber Network

(A) Cable System Functionality. The Cable System shall have a bandwidth capable of providing the equivalent of a typical 750 MHz Cable System. As of the Effective Date of this Franchise, Grantee provides its Cable Service utilizing two different methods. First, using a Gigabit Passive Optical Networks ("GPON") platform, the Grantee provides Cable Service to some Qualified Units by connecting fiber directly to the household ("FTTP"). Second, the Grantee provides Cable Service to some Qualified Units by deploying fiber further into the neighborhoods and using the existing copper infrastructure to increase broadband speeds ("FTTN"). Generally speaking, when Grantee deploys FTTN, households located within 4,000 cable feet of a remote terminal shall receive broadband speeds capable of providing Cable Service. In both the FTTP and FTTN footprint, a household receiving a minimum of 25Mbps shall generally be capable of receiving Cable Service after Grantee performs certain network grooming and conditioning. Grantee shall determine in its discretion where to upgrade its network to convert these households to Qualified Units.

(B) Grantee will take prompt corrective action if it finds that any facilities or equipment on the Cable System are not operating as expected, or if it finds that facilities and equipment do not comply with the requirements of this Franchise or applicable law.

11.2 Standby Power

Grantee shall provide standby power generating capacity at the Headend and Central Offices of at least twenty-four (24) hours.

11.3 Emergency Alert

The Grantee shall provide an operating Emergency Alert System in accordance with and at the time required by the provisions of State and federal laws, including FCC regulations.

11.4 Technical Performance

The technical performance of the Cable System shall meet or exceed all applicable federal technical standards, as they may be amended from time to time, regardless of the transmission technology utilized. The City shall have the full authority permitted by applicable law to enforce compliance with these technical standards.

11.5 Cable System Performance Testing

(A) Grantee shall perform all technical tests presently or hereafter required by the FCC related to Grantee's deployed technology.

(B) Upon request, all required FCC technical performance tests may be witnessed by representatives of the City.

(C) Grantee shall maintain written records of its Cable System tests performed by or for Grantee. Copies of such test results will be provided to the City upon request.

(D) Grantee shall promptly take such corrective measures as are necessary to correct any performance deficiencies fully and to prevent their recurrence as far as possible. Grantee's failure to correct deficiencies identified through this testing process shall be a material violation of this Franchise. Sites shall be re-tested following correction.

11.6 Additional Tests

In addition to the above, where there exists other evidence which in the judgment of the City casts doubt upon the reliability or technical quality of the Cable System, after giving Grantee notice and a reasonable opportunity to cure, the City may retain an independent consultant to conduct an analysis of the Cable System and its performance. In conjunction with the foregoing, the City shall have the right and authority, upon thirty (30) days' notice, to require Grantee to conduct additional tests regarding the performance of the Cable System. Grantee shall fully cooperate with the City and the City's consultant in performing such testing. Following testing, the consultant's report shall include the following information:

- (A) the nature of the evidence which precipitated the special tests;
- (B) the Cable System component tested;
- (C) the equipment used and procedures employed in testing;
- (D) the results of the testing and Cable System evaluation, including a description of any problem(s) found;
- (E) the method, if any, in which such problem was resolved; and
- (F) any other information pertinent to said tests and analysis, which may be required.

If the test(s) indicate that the Cable System is not performing in compliance with applicable FCC technical standards, the Grantee shall reimburse the City for all of the City's reasonable costs (including, without limitation, consultant's fees and expenses) with regard to such test(s).

SECTION 12. SERVICE EXTENSION AND SERVICE TO PUBLIC BUILDINGS

12.1 Service Availability

(A) Service Connections. Grantee shall provide Cable Services upon a valid request, from any person in the City who resides in a Qualified Unit within seven (7) business days. A request shall be deemed placed on the date of signing a service agreement, receipt of funds by Grantee, or receipt by Grantee of a verified verbal or written request. Rates and charges may not exceed the Grantee's published rates.

(B) Grantee shall not deny cable service to any group of subscribers or potential residential subscribers based upon race or the income level of the local area in which such group resides, nor shall Grantee base decisions about construction or maintenance of its cable system or facilities based upon race or the income level of residents of the local area in which such group resides.

(C) New Developments. The City shall use its best efforts to provide the Grantee with written notice of the issuance of formal approvals for new subdivisions and/or planned developments, within the Franchise Area, requiring underground installation and/or the conversion of the Cable System as part of the approval condition(s).

(D) Service to Multiple Dwelling Units. The Grantee shall provide Cable Service to Multiple Dwelling Units determined to be Qualified Units in accordance with this Franchise and applicable laws.

12.2 Connection of City and Other Public Facilities

(A) Grantee shall, upon request through the designated City representative and without charge, install a minimum of one outlet of Basic and Expanded Basic Cable Services (and if necessary one (1) set top box to City administrative buildings as designated by the City (whether they are owned or leased), and fire station(s), police station(s), libraries, Access facilities and K-12 public School(s), provided that such City buildings are designated as Qualified Units and no other Cable Operator is providing Cable Services at such location.

(B) If the City building is designated as a Qualified Unit and another Cable Operator is providing Cable Services at such location, and the City requests that Grantee be its Cable Operator, Grantee shall install and furnish, at its sole cost, Complimentary Cable Service, with one set top box, to said building once the other Cable Operator's service is disconnected. A list of City and other public buildings that may qualify for such service is identified on Exhibit A. The recipient of the service will secure any necessary right of entry.

(C) The Cable Service will not be used for commercial purposes, and the outlets will not be located in jail cells or areas open to the public, except for one outlet to be located in a public lobby in City Hall that will be used by the public for viewing City Council meeting broadcasts. The City will take reasonable precautions to prevent any use of the Grantee's Cable System in any manner that results in inappropriate use, loss or damage to the Cable System. If additional outlets of Cable Service are needed in such buildings, only the Grantee is authorized to complete the Cable Service expansion to support the outlet installation(s) and the building occupant will pay the standard installation fees and pay the costs of any additional set top boxes. Except for the cost of any additional set top boxes, no other Cable Service fees shall be owed in connection with additional outlets. The costs associated with these services shall not be offset against Franchise Fees, unless another franchised cable provider in the City is permitted to such an offset.

SECTION 13. FRANCHISE VIOLATIONS

13.1 Non-Material Franchise Violations

(A) If the City believes that Grantee has failed to perform any nonmaterial obligation under this Franchise, the City shall notify Grantee in writing, stating with reasonable specificity the nature of the alleged default. Grantee shall have thirty (30) days from the receipt of such notice to:

(1) respond to the City, contesting the City's assertion that a default has occurred, and request a meeting in accordance with subsection (B), below; or

(2) cure the default; or

(3) notify the City that Grantee cannot cure the default within thirty (30) days, because of the nature of the default. In the event the default cannot be cured within thirty (30) days, Grantee shall promptly take all reasonable steps to cure the default and notify the City in

writing and in detail as to the exact steps that will be taken and the projected completion date. In such case, the City may set a meeting in accordance with subsection (B) below to determine whether additional time beyond the thirty (30) days specified above is indeed needed, and whether Grantee's proposed completion schedule and steps are reasonable.

(B) If Grantee does not cure the alleged default within the cure period stated above, or denies the default and requests a meeting in accordance with subsection (A)(1), or the City orders a meeting in accordance with subsection (A)(3), the City shall set a meeting to investigate said issues and the existence of the alleged default. The City shall notify Grantee of the meeting in writing and such meeting shall take place no less than fifteen (15) business days after Grantee's receipt of notice of the meeting. At the meeting, Grantee shall be provided an opportunity to be heard and to present evidence in its defense.

(C) If, after the meeting, the City determines that a default exists, Grantee and the City may agree on a plan and schedule to cure the default. Absent such agreement, the City shall order Grantee to correct or remedy the default or breach within thirty (30) days or within such other reasonable timeframe, beyond thirty (30) days as the City shall determine. In the event Grantee does not cure the default within such time to the City's reasonable satisfaction, the City may:

(1) Recommend the revocation of this Franchise pursuant to the procedures in subsection 13.2; or

(2) Pursue any other legal or equitable remedy available under this Franchise or applicable law.

(D) The determination as to whether a non-material violation of this Franchise has occurred shall be within the discretion of the City. Any such determination by the City must be in writing and must be based upon findings that include Grantee's submissions, provided that any such determination may be subject to appeal to the City Council or review by a court of competent jurisdiction under applicable law.

13.2 Material Franchise Violations

(A) After notice as provided in Section 13.2(B), the City may revoke this Franchise and rescind all rights and privileges associated with this Franchise in any of the following circumstances:

(1) If Grantee fails to perform any material obligation under this Franchise;

(2) If Grantee willfully fails for more than three (3) days to provide continuous and uninterrupted Cable Service;

(3) If Grantee attempts to evade any material provision of this Franchise or to practice any fraud or deceit upon the City or Subscribers;

(4) If Grantee becomes insolvent, or if there is an assignment for the benefit of Grantee's creditors; or

(5) If Grantee fails to provide the insurance or other security required by this Franchise.

(B) Prior to forfeiture or termination of the Franchise, the City shall give written notice to the Grantee of its intent to revoke the Franchise. The notice shall set forth the exact nature of the noncompliance. Grantee shall have thirty (30) days from such notice to object in writing and to state its reasons for such objection and provide any explanation. In the event the City has not received a timely

and satisfactory response from Grantee, it may then seek a termination of the Franchise in accordance with this subsection.

(C) The City Council shall conduct a public hearing to determine if revocation of the Franchise is warranted.

(1) At least thirty (30) days prior to the public hearing, the City Clerk shall issue a public hearing notice that shall establish the issue(s) to be addressed in the public hearing; provide the time, date and location of the hearing; provide that the City Council shall hear any Persons interested therein; and provide that the Grantee shall be afforded fair opportunity for full participation, including the right to introduce evidence, to require the production of evidence, to be represented by counsel and to question witnesses.

(2) A verbatim transcript shall be made by a court reporter of such proceeding and the cost shall be paid by the Grantee.

(3) Within thirty (30) days after the close of the hearing, the City Council shall issue a written decision regarding the revocation and termination of the Franchise.

(D) Grantee shall be bound by the City Council's decision to revoke the Franchise unless an appeal to a court of competent jurisdiction is filed within thirty (30) days of the date of the City Council's decision.

(E) Grantee and the City shall be entitled to such relief as the court may deem appropriate.

13.3 Termination

(A) If this Franchise expires without renewal or is otherwise lawfully terminated or revoked, the City may, subject to applicable law:

(1) Require Grantee to maintain and operate its Cable System on a month-to-month basis until a new cable operator is selected; or

(2) Purchase Grantee's Cable System in accordance with federal law.

(B) The City may order the removal of the above-ground Cable System facilities and such underground facilities, used exclusively for the provision of cable service, from the City at Grantee's sole expense within a reasonable period of time as determined by the City. In removing its plant, structures and equipment, Grantee shall refill, at its own expense, any excavation that is made by it and shall leave all Rights-of-Way, public places and private property in as good a condition as that prevailing prior to Grantee's removal of its equipment and without affecting electrical or telephone wires or attachments. The indemnification, insurance provisions and letter of credit, if any, shall remain in full force and effect during the period of removal, and Grantee shall not be entitled to, and agrees not to request, compensation of any sort therefore.

(C) If Grantee fails to complete any removal required by subsection 13.3 (B) to the City's satisfaction, after written notice to Grantee, the City may cause the work to be done and Grantee shall reimburse the City for the costs and expenses incurred, within thirty (30) days after receipt of an itemized list of the costs and expenses, or the City may recover the costs and expenses through the Grantee's security instruments if Grantee has not paid such amount within the foregoing thirty (30) day time period. Any costs and expenses incurred by the City regarding such removal shall be included in the monies due

the City from the Grantee, including reasonable attorneys' fees, and costs and expenses for work conducted by the City staff or its agents.

13.4 Receivership

At the option of the City, subject to applicable law, this Franchise may be revoked after the appointment of a receiver or trustee to take over and conduct the business of Grantee whether in a receivership, reorganization, bankruptcy or other action or proceeding, unless:

- (A) The receivership or trusteeship is timely vacated; or
- (B) The receiver or trustee has timely and fully complied with all the terms and provisions of this Franchise, and has remedied all defaults under the Franchise. Additionally, the receiver or trustee shall have executed an agreement duly approved by the court having jurisdiction, by which the receiver or trustee assumes and agrees to be bound by each and every term, provision and limitation of this Franchise.

13.5 Alternative Remedies

No provision of this Franchise shall be deemed to bar the City or Grantee from seeking appropriate judicial relief. Neither the existence of other remedies identified in this Franchise nor the exercise thereof shall be deemed to bar or otherwise limit the right of either party to recover monetary damages, as allowed under applicable law, or to seek and obtain judicial enforcement by means of specific performance, injunctive relief or mandate, or any other remedy at law or in equity. The City specifically does not, by any provision of this Franchise, waive any right, immunity, limitation or protection otherwise available to the City, its officers, officials, City Council, Boards, commissions, agents, or employees under federal, State, or local law (including, for example, Section 635A of the Cable Act).

13.6 Assessment of Liquidated Damages

(A) Because it may be difficult to calculate the harm to the City in the event of a breach of this Franchise by Grantee, the parties agree to liquidated damages as a reasonable estimation of the actual damages. To the extent that the City elects to assess liquidated damages as provided in this Franchise, such damages shall be the City's sole and exclusive remedy for such breach or violation and shall not exceed a time period of one hundred eighty (180) days. Nothing in this subsection is intended to preclude the City from exercising any other right or remedy with respect to a breach that continues past the time the City stops assessing liquidated damages for such breach.

(B) Prior to assessing any liquidated damages, the City shall follow the enforcement procedures of this Franchise that provide the Grantee proper notice and a right to cure.

(C) The City shall not assess any liquidated damages if the Grantee has cured or commenced to and completes the cure under the enforcement provisions of this Franchise. In the event Grantee fails to cure, the City may assess liquidated damages and shall inform Grantee in writing of the assessment. Grantee shall have thirty (30) days to pay the damages.

(D) The first day for which liquidated damages may be assessed, if there has been no cure after the end of the applicable cure period, shall be the day after the end of the applicable cure period, including any extension of the cure period granted by the City.

(E) Grantee may appeal (by pursuing judicial relief) any assessment of liquidated damages within thirty (30) days of the assessment.

Pursuant to the requirements outlined herein, liquidated damages shall not exceed the following amounts: one hundred dollars (\$100.00) per day for material departure from the applicable FCC technical performance standards; one hundred dollars (\$100.00) per day for failure to provide the Access Channels or any equipment related thereto which is required hereunder; one hundred dollars (\$100.00) per day for each material violation of the Customer Service Standards; one hundred dollars (\$100.00) per day for failure to provide reports or notices as required by this Franchise; and one hundred dollars (\$100.00) per day for any material breaches or defaults not previously listed.

13.7 Effect of Abandonment

If the Grantee abandons its Cable System during the Franchise term, or fails to operate its Cable System in accordance with its duty to provide continuous service, the City, at its option, may obtain an injunction, or operate the Cable System, or designate another entity to operate the Cable System temporarily until the Grantee restores service under conditions acceptable to the City, or until the Franchise is revoked. If the City operates the Cable System, or designates another entity to operate the Cable System, the Grantee shall reimburse the City or the City's designee, as applicable, for all reasonable costs and expenses incurred. If Grantee permanently abandons its entire Cable System (namely, for a period of one [1] year or more), then, at the City's sole discretion, such Cable System may become the property of the City, and Grantee shall then submit to the City a bill of sale and other conveyance documents, to be approved in advance by the City Attorney, transferring ownership of such property to the City.

SECTION 14. FRANCHISE RENEWAL

Any renewal of this Franchise shall be governed by and comply with the provisions of Section 626 of the Cable Act, as amended, unless the procedures or substantive protections set forth therein shall be deemed to be preempted or superseded by the provisions of any subsequent federal or State law.

SECTION 15. FRANCHISE TRANSFER

(A) Except as allowed under subsection (G), the Cable System and this Franchise shall not be sold, assigned, transferred, leased or disposed of, either in whole or in part, either by involuntary sale or by voluntary sale, merger or consolidation; nor shall title thereto, either legal or equitable, or any right, interest or property therein pass to or vest in any Person without the prior written consent of the City, which consent shall not be unreasonably withheld.

(B) The Grantee shall promptly notify the City of any actual or proposed change in, or transfer of, or acquisition by any other party of control of the Grantee. The word "control" as used herein is not limited to majority stock ownership but includes actual working control in whatever manner exercised. Every change, transfer or acquisition of control of the Grantee shall make this Franchise subject to cancellation unless and until the City shall have consented thereto.

(C) The parties to the sale, transfer or change of control shall make a written request to the City for its approval of a sale, transfer or change of control and shall furnish all information required by law.

(D) The City may condition said sale, transfer or change of control upon such terms and conditions as it deems reasonably appropriate, including, for example, any adequate guarantees or other security, as allowed by applicable law. Additionally, the prospective controlling party or transferee shall effect changes as promptly as practicable in the operation of the Cable System, if any changes are necessary, to cure any violations or defaults presently in effect or ongoing.

(E) The City shall act by ordinance or resolution on the request within one hundred twenty (120) days of the request, provided it has received all information required by law, such as a complete FCC Form 394. Subject to the foregoing, if the City fails to render a final decision on the request within one hundred twenty (120) days, such request shall be deemed granted unless the requesting party and the City agree to an extension of time.

(F) Within thirty (30) days of any transfer, sale or change of control, if approved or deemed granted by the City, Grantee shall file with the City a copy of the deed, agreement, lease or other written instrument evidencing such sale or transfer of ownership or control, certified and sworn to as correct by Grantee and the transferee or new controlling entity. In the event of a sale or transfer of ownership, the transferee shall also file its written acceptance agreeing to be bound by all of the provisions of this Franchise. In the event of a change in control, in which the Grantee is not replaced by another entity, the Grantee will continue to be bound by all of the provisions of the Franchise and will not be required to file an additional written acceptance.

(G) Notwithstanding the foregoing, the City's consent shall not be required for a mortgage, hypothecation or an assignment of Grantee's interest in the Franchise in order to secure indebtedness or for a transfer to an intra-company Affiliate, provided that the Grantee must reasonably notify the City in advance and the Affiliate must have the requisite legal, financial and technical capability to satisfy the City.

SECTION 16. MISCELLANEOUS PROVISIONS

16.1 Discriminatory Practices Prohibited

Throughout the term of this Franchise, Grantee shall fully comply with all equal employment and nondiscrimination provisions of applicable law.

16.2 Notices

Throughout the term of this Franchise, each party shall maintain and file with the other a local address for the service of notices by mail. All notices shall be sent to such respective address, and such notices shall be effective upon the date of mailing. At the effective date of this Franchise,

Grantee's address shall be:

Qwest Broadband Services, Inc.
d/b/a/CenturyLink
Attn: Public Policy
1801 California Street, 10th Floor
Denver, Colorado 80202

With a copy to:
Qwest Broadband Services, Inc.
d/b/a/ CenturyLink
Attn: Public Policy
1600 7th Ave., 15th Floor
Seattle, WA 98101

City's address shall be:

City of Burien
400 SW 152nd Street, Suite 300
Burien, WA 98166
Attention: City Manager

16.3 Cumulative Rights

All rights and remedies given to the City by this Franchise shall be in addition to and cumulative with any and all other rights and remedies, existing or implied, now or hereafter available to the City, at law or in equity.

16.4 Costs to be Borne by Grantee

Grantee shall reimburse the City for all costs of publication of this Franchise, and any notices prior to any public hearing regarding this Franchise, contemporaneous with its acceptance of this Franchise.

16.5 Binding Effect

This Franchise shall be binding upon the parties hereto, their permitted successors and assigns.

16.6 Authority to Amend

In addition to police powers and subsection 3.9, this Franchise may also be amended at any time by mutual written agreement between the parties.

16.7 Governing Laws

This Franchise shall be governed, construed and enforced in accordance with federal, State and local laws and any applicable rules, regulations and orders of the FCC (as such now exist, are later amended or subsequently adopted).

16.8 Captions

The captions and headings of this Franchise are for convenience and reference purposes only and shall not affect in any way the meaning or interpretation of any provision of this Franchise.

16.9 No Joint Venture

Nothing herein shall be deemed to create a joint venture or principal-agent relationship between the parties, and neither party is authorized to, nor shall either party act toward third Persons or the public in any manner which would indicate any such relationship with the other. Further, the Grantee is not granted any express or implied right or authority to assume or create any obligation or responsibility on behalf of or in the name of the City.

16.10 Cooperation

The parties recognize that it is in their mutual best interests for the Cable System to be operated as efficiently as possible. To achieve this, the parties agree to cooperate with each other in accordance with the terms and provisions of this Franchise.

16.11 Waiver

The failure of the City at any time to require performance by Grantee of any provision hereof shall in no way affect the right of the City hereafter to enforce the same, nor shall the waiver by the City of any breach of any provision hereof be taken or held to be a waiver of any succeeding breach of such provision, or as a waiver of the provision itself or any other provision.

16.12 Severability

If any Section, subsection, paragraph or provision of this Franchise is determined to be illegal, invalid or unconstitutional by any court or agency of competent jurisdiction, such determination shall have no effect on the validity of any other Section, subsection, paragraph or provision of this Franchise, all of which will remain in full force and effect for the term of the Franchise.

16.13 Entire Agreement

This Franchise and Exhibit represent the entire understanding and agreement between the parties hereto with respect to the subject matter hereof and supersede all prior oral and written negotiations between the parties.

16.14 Force Majeure

The Grantee will not be held in violation under, or in noncompliance with, the provisions of this Franchise, nor suffer any enforcement relating thereto, where such noncompliance or alleged violation occurred or was caused by circumstances reasonably beyond the ability of the Grantee to control. This includes war or riots, civil disturbances, floods or other natural catastrophes, labor stoppages, strikes or slowdowns, or power outages exceeding back-up power supplies, and work delays caused by waiting for utility providers to service or monitor their utility poles to which the Grantee's Cable System is attached as well as verifiable unavailability of materials and/or qualified labor to perform the work necessary.

Grantee shall have a reasonable time, under the circumstances, to perform the affected obligation under this Franchise or to procure a substitute for such obligation which is satisfactory to the City.

If Grantee believes that a reason beyond its control has prevented or delayed its compliance with the provisions of this Franchise, Grantee shall provide documentation as reasonably required by the City to substantiate the Grantee's claim. If Grantee has not yet cured the deficiency, Grantee shall also provide the City with its proposed plan for remediation, including the timing for such cure.

16.15 Attorneys' Fees

If any action or suit arises in connection with this Franchise (excluding Franchise renewal proceedings), the court shall determine which party shall be entitled to recover all of its reasonable attorneys' fees, costs and expenses in connection therewith, in addition to such other relief as the court may deem proper.

16.16 Acceptance

Within sixty (60) days after the passage and approval of this Franchise by Ordinance by the City Council, and receipt of the Franchise by Grantee, this Franchise shall be accepted by Grantee by filing with the City its written acceptance of all of the terms, provisions and conditions of this Franchise. The failure of Grantee to file such an acceptance shall be deemed a rejection by Grantee, and this Franchise shall then be voidable at the discretion of the City.

IN WITNESS WHEREOF, this Franchise is signed in the name of the City of Burien, Washington, this _____ day of _____, 2016.

**CITY OF BURIEN
AGENDA BILL**

Agenda Subject: Discussion and potential action on Resolution No. 371, urging action by the State Legislature and U.S. Congress to respond to SCOTUS decision in <i>Citizens United v. Federal Election Commission</i>		Meeting Date: May 2, 2016
Department: N/A – Initiated by Council Member Nancy Tosta	Attachments: 1. Resolution No. 371	Fund Source: N/A Activity Cost: \$0 Amount Budgeted: \$0 Unencumbered Budget Authority: \$0
Contact: Kamuron Guroi		
Telephone: (206) 248-5503		
Adopted Initiative: No	Initiative Description: N/A	
PURPOSE/ REQUIRED ACTION: The purpose of this agenda item is for Council to discuss and take action on a resolution urging action by the State Legislature and U.S. Congress to respond to SCOTUS decision in <i>Citizens United v. Federal Election Commission</i> .		
BACKGROUND (Include prior Council action & discussion): <p>Constituents have requested that Council consider a resolution that urges action be taken by the State Legislature and U.S. Congress to respond to the 2010 decision by the U.S. Supreme Court (SCOTUS) in <i>Citizens United v. Federal Election Commission</i>. Citizens United was a landmark case in which SCOTUS held that the First Amendment prohibited the government from restricting independent political expenditures by corporations, unions, and other groups. The decision has had the effect of according constitutional free speech protections to the expenditure of corporate money on campaigns and elections, greatly increasing the role of money to influence the electoral process. There are sixteen cities and counties in Washington State that have passed resolutions supporting the idea that the expenditure of corporate money to influence campaigns and elections should not be a form of constitutionally protected speech.</p> <p>At the March 7, 2016 Council meeting, Councilmember Tosta proposed that a resolution responding to the <i>Citizens United</i> decision be placed on a future agenda, and several other Council Members agreed that it should be considered. Links to 12 resolutions passed by other Washington municipalities was circulated to Council Members by Councilmember Tosta and forwarded to staff to use as models for this proposed resolution. The attached proposed resolution incorporates language from cities whose resolutions were brief and limited to resolving that corporations are not people, money is not speech, donation of money to a political campaign is not a form of constitutionally protected speech, and regulating political contributions and spending is not equivalent to limiting political speech. Like many other resolutions, it urges action by the State Legislature and U.S. Congress to respond to the decision in <i>Citizens United</i>, but, unlike some of the other resolutions, does not specifically state that they should support a specific amendment of the U.S. Constitution.</p>		
OPTIONS (Including fiscal impacts): <ol style="list-style-type: none"> 1. Adopt Resolution No. 371. 2. Do not adopt Resolution No. 371 without further direction to bring it back on a future agenda. 3. Provide direction to staff regarding changes desired by Council to Resolution No. 371 and direct staff to place it on a future agenda after changes are made. 		
Administrative Recommendation: N/A – This is a Council Member-initiated Resolution.		
Advisory Board Recommendation: N/A		
Suggested Motion: I move to adopt Resolution No. 371 urging action by the State Legislature and U.S. Congress to respond to SCOTUS decision in <i>Citizens United v. Federal Election Commission</i> .

agenda bill.docx

CITY OF BURIEN, WASHINGTON

RESOLUTION NO. 371

A RESOLUTION OF THE CITY OF BURIEN, WASHINGTON, STATING THAT CORPORATIONS ARE NOT PERSONS UNDER THE CONSTITUTION FOR PURPOSES OF THE REGULATION OF ELECTIONS, THAT REGULATING POLITICAL CONTRIBUTIONS AND SPENDING IS NOT EQUIVALENT TO LIMITING POLITICAL SPEECH, AND SUPPORTING LIMITS ON CORPORATIONS' ABILITY TO SPEND MONEY DURING LOCAL AND NATIONAL ELECTIONS.

WHEREAS, *Citizens United v. Federal Election Commission*, 558 U.S. 310 (2010), was a landmark United States Supreme Court case in which the Court held that the First Amendment prohibited the government from restricting independent political expenditures by corporations and unions; and

WHEREAS, the Burien City Council finds that such decision could adversely affect fair election campaigning for federal, state, and local elections, including those for Burien City Council and other ballot issues affecting Burien; and

WHEREAS, the Burien City Council has become concerned that allowing corporations the same political speech protections as those afforded to individuals encourages unlimited corporate spending to influence campaigns and elections;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF BURIEN, WASHINGTON, DOES RESOLVE AS FOLLOWS:

Section 1. Only human beings, not corporations, are persons under the United States Constitution for the purposes of the regulation of elections.

Section 2. Money is not speech, and the donation of money to a political campaign is not a form of constitutionally protected speech; therefore, regulating political contributions and spending is not equivalent to limiting political speech.

Section 3. The U.S. Congress and Washington State Legislature are urged to take action to correct the current unbridled ability of corporations to spend money during local and national elections.

Section 4. Effective Date. This resolution shall take effect immediately upon passage by the Burien City Council.

ADOPTED BY THE CITY COUNCIL OF THE CITY OF BURIEN, WASHINGTON, AT A
REGULAR MEETING THEREOF THIS _____ DAY OF May, 2016.

CITY OF BURIEN

Lucy Krakowiak, Mayor

www.burienwa.gov

MEMORANDUM

TO: Honorable Mayor and Members of the City Council
FROM: Kamuron Gurol, City Manager
DATE: May 2, 2016
SUBJECT: City Manager's Report

I. INTERNAL CITY INFORMATION

A. Spring Quarter Recreation Registration

Spring quarter recreation registration opened Monday, March 14. Burien Parks, Recreation & Cultural Services (PaRCS) staff processed 281 registrations, demonstrating a strong response to program offerings. On the first day of registration for a new quarter, participants vie for limited spots for senior trips, adult classes at the Moshier Arts Center, and summer day camps.

B. Sylvester After-School Program

The City's after-school program at Sylvester Middle School is thriving, with an average of 40 middle school-age students attending each day. Along with open gym basketball, arts & crafts, and other activities, enrichment clubs are offered where students can sign-up and attend weekly workshops with specialized instructors. Winter quarter workshops included Henna Art on Tuesdays, Wood Burning on Wednesdays, Oil Painting on Thursdays, and Girls Group on Fridays. Due to student response, all of the workshops (with the exception of Henna Art) are being offered again spring quarter, which started the week of April 11. A new Cooking program has also been added.

C. Community Heroism Award

In addition to the Citizen of the Year award and other opportunities to recognize members of our community, a new recognition program could be established to highlight community members who go to great lengths to preserve life safety. Staff has assembled information from other jurisdictions and drafted a potential new award for Council's consideration. The "Community Hero Award" would be designed to improve life safety in Burien by motivating and recognizing excellence and courage as demonstrated by civilians in our community. Potential criteria could include:

1. The individual to be honored goes to an extraordinary degree while saving or attempting to save the life of another person while potentially risking his or her own safety doing so.
2. The actions taken to save lives did not intentionally escalate the risk involved in the emergency situation.
3. The actions taken either saved or prolonged the life/lives of victims until medical aid personnel arrived and assumed lifesaving efforts.
4. The incident must have occurred in the City of Burien.
5. The awardee must be nominated for recognition by an emergency responder (Police or Fire) and approved by the City Council.

Awardees could be honored at a City Council meeting with a certificate and a small token of recognition, such as an engraved glass cube (costing approximately \$50 to produce). The award would not need to be given on an annual basis but could instead be used to honor actions on a case-by-case basis at lesser or greater intervals, as appropriate.

D. Franciscan Health Medical Pavilion - Highline

On April 22, 2016, the new Burien Franciscan Health System Medical Pavilion was issued a Certificate of Occupancy. CFI Franciscan Health officially broke ground for the new pavilion, which is located at 16045 1st Ave S, on May 7, 2015. The 48,000 square foot, \$27 million facility will house an urgent care clinic, a primary care clinic, and a women's health clinic. The opening date for the new facility will be announced by CFI Franciscan Health soon.

II. COUNCIL UPDATES/REPORTS

A. Proclamation - Music4Life, May 2016 (Page 163)

Attached is a proclamation sponsored by Councilmember Debi Wagner to proclaim May 2016 as Music4Life Month in the City of Burien. Music4Life is a non-profit organization that has been repairing and providing ready-to-play instruments to participating public school districts for use by the students of low-income families since 2007. They have provided approximately 1,800 musical instruments to children in the greater Seattle area including those attending Highline Public Schools.

B. Proclamation – National Police Week, May 15-21 (Page 165)

Attached is a proclamation sponsored by Deputy Mayor Bob Edgar proclaiming May 15-21, 2016, as National Police Week in the City of Burien, and thanking our Burien Police personnel for their dedicated performance of duties to keep Burien safe. The commemoration, started in 1962 with a proclamation signed by President John F. Kennedy, designated May 15 as Peace Officers Day and the week in which that date falls as Police Week.

III. Notices: (Page 167)

The following (attached) Notices were published:

- Notice of Application: PLA 16-0741; City of Burien Public Works Department, stabilize and redesign a culvert outlet on Lake Burien Creek.
- Notice of Decision: PLA 16-2496; Benjamin Boylan, Benjamin Ryan Communities LLC, Approval of Type 1 Land Use, subject to conditions.

**PROCLAMATION
OF THE CITY OF BURIEN
Washington**

A PROCLAMATION OF THE CITY COUNCIL OF THE CITY OF BURIEN,
WASHINGTON, PROCLAIMING

**MAY 2016 AS *MUSIC4LIFE* MONTH
IN THE CITY OF BURIEN**

Whereas, the benefits of participation in instrumental music at any age can last a lifetime;
and

Whereas, research shows that students who participate in instrumental music programs tend to do better in math, science, history, literature, reading, writing, international languages, and other academic disciplines; and

Whereas, the cost of owning or renting an instrument is a barrier preventing students from low income families from participating in instrumental music; and

Whereas, *Music4Life* is a non-profit organization that has been repairing and providing ready-to-play instruments to participating public school districts for use by the students of low income families since 2007; and

Whereas, all instruments donated to *Music4Life* will be used exclusively for the benefit of students in the school district in which they are donated; and

Whereas, *Music4Life* has provided approximately 1,800 musical instruments to children in the greater Seattle area including those attending Highline Public Schools.

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF BURIEN, WASHINGTON,
DOES HEREBY PROCLAIM

**MAY 2016 AS *MUSIC4LIFE* MONTH
IN THE CITY OF BURIEN**

and encourage our residents to visit *Music4Life* organization at www.Music4Life.org and to donate any lovingly used musical instruments and/or funding to this fine local organization.

Dated this 16th Day of May, 2016

**PROCLAMATION
OF THE CITY OF BURIEN
Washington**

A PROCLAMATION OF THE CITY COUNCIL OF THE CITY OF BURIEN,
WASHINGTON, PROCLAIMING

**MAY 15-21, 2016 AS NATIONAL POLICE WEEK
IN THE CITY OF BURIEN**

Whereas, in 1962, President John F. Kennedy signed a proclamation which designated May 15 as Peace Officers Memorial Day and the week in which that date falls as Police Week; and

Whereas, a Memorial Service began in 1982 as a gathering in Washington, DC of approximately 120 survivors and supporters of law enforcement, and decades later, this event grew into a major commemorative event at our Nation's Capital and across the county during National Police Week; and

Whereas, this week, tens of thousands of law enforcement officers from around the world converge on Washington, DC to participate in a number of planned events to honor those that have paid the ultimate sacrifice; and

Whereas, many jurisdictions around the world pause to honor their police; and

Whereas, the Burien Police Department officers and staff work hard every day to fulfill their responsibilities of preserving life and property in the City of Burien.

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF BURIEN, WASHINGTON,
DOES HEREBY PROCLAIM

**MAY 15-21, 2016 AS NATIONAL POLICE WEEK
IN THE CITY OF BURIEN**

and encourage all residents and organizations to join together in thanking our Burien Police personnel for their dedicated performance of duties to keep us safe.

Attachments	Conditions of approval

CONDITIONS OF APPROVAL
Highline Park Apartments
PLA 15-2496

Based on the Findings of Fact and Conclusions (Section II) and Attachments to this report, the application is approved subject to the following conditions:

1. This application is subject to the applicable requirements contained in the Burien Municipal Code (including but not limited to the Zoning Code, Building Code and Fire Code), the 2009 King County Surface Water Design Manual and the 2009 Stormwater Pollution Prevention manual as adopted by the City of Burien (ref. BMC § 13.10.020) and the 2008 Burien Road Standards. It is the responsibility of the applicant to ensure compliance with the various provisions contained in these documents. See Attachment 2, Development Requirements, for a summary of the City's Development Standards. **Land use approval does not guarantee that the number of dwelling units proposed can be accommodated on the subject parcel.**
2. Prior to the issuance of development permits, the Applicant shall:
 - a. Submit an anticipated parking demand study showing the proposed project's guest parking needs and its compliance to BMC 19.20.040.
 - b. Address the comments presented in the Development Review Engineer's memorandum dated March 7, 2016.
 - c. Address the comments presented in the Surface Management Engineer's memorandum dated March 3, 2016.
 - d. Submit revised plans detailing the exact location and functional layout of the required 3,800 square feet of common recreational space required for the development. The common recreation space shall comply with the minimum standards of BMC 19.17.010.1 B and C and the required play space for children shall be clearly defined. **Note that the dimensional requirements for common recreational space may result in revisions to the proposed building layout or the number of residential units that can be provided on the site.**
 - e. Submit revised plans detailing what type of screening to be used and the type of materials or plant species to be placed on the interior lot lines between the patios and the abutting single-family dwellings.
 - f. Submit a tree retention plan indicating how the requirement for the retention of 1 significant tree on site will be met and a tree protection plan to be used during construction for any significant trees to be retained. If this required number of significant trees cannot be retained, the required number of significant trees that are removed shall be replaced with:
 - 1) Transplanted significant trees; or

- 2) New trees measuring three-inch caliper or more, at a replacement rate of one and one-half (1.5) inches diameter for every one inch diameter of the removed significant tree; or
 - 3) New trees measuring less than three-inch caliper at a replacement rate of two inches diameter for every one inch diameter of the removed significant tree.
 - g. Submit a revised detailed exterior lighting, landscape and irrigation plans for review and approval by the Department of Community Development.
 - h. Submit plans that demonstrate compliance to the Title 19 Zoning Code provisions for pedestrian circulation, storage space and collection points for recyclables, the sight distance triangle, and lot line adjustment for setback requirements.
 - i. Pay a Transportation Impact Fee of \$11,840.
3. Prior to beginning any work in the public right-of-way, the Applicant shall apply for and obtain a Right-of-Way Construction Permit for all work to be completed in the public right-of-way.
 4. Restoration, Performance and maintenance security, in forms acceptable to the City, must be posted for required site and right-of-way improvements (see Conclusion II.E.3 and Attachments 9, 10).
 5. Prior to final occupancy, the applicant shall:
 - a. Install the required landscaping and irrigation system consistent with the approved plans.
 - b. Install fencing or Type I Landscaping or a combination of both along the interior lot lines to screen the adjacent single-family dwellings from the private recreation areas.
 - c. Demonstrate compliance with all of the requirements of the Fire Marshal relating to access and fire safety.
 - d. Submit a security for a period of two years after planting of the required landscaping to insure proper establishment and maintenance.
