Direction/Action

Motion was made by Commissioner Martinez, seconded by Commissioner Henderson, and passed 7-0 to approve the minutes of the October 23, 2013, meeting.

OLD BUSINESS

None.

NEW BUSINESS

Chip Davis introduced proposed zoning code amendments for marijuana-related businesses, based on the interim zoning regulations adopted by the Council on August 19 of this year. He pointed out some of the land use and public safety issues that need to be taken into consideration in establishing the regulations.

Mr. Davis noted that a public hearing on the proposed marijuana-related businesses regulations will be conducted at the next Planning Commission meeting, on January 8, 2014.

During discussion among the commissioners, Chair Clingan suggested that Mr. Davis look up Burien's vote counts for state Initiative 502, the passage of which legalized recreational marijuana.

Mr. Davis reviewed the license applications for Burien received by the state of Washington and listed on the Liquor Control Board's website. Applicants must secure a site before submitting their applications. Only one retail license will be issued for Burien, based on population, but there could be one or more producers and/or processors in Burien.

A member of the audience said she applied for a retail license at 919 SW 150th St. before she knew about any zoning restrictions. She asked that since her chosen location appears to be just outside one of the allowable areas for retail, would she have a chance of receiving a license for that location anyway. Mr. Davis said that because a youth-oriented facility is less than 1,000 feet away from her chosen location, by state law she has little to no chance of being allowed to open at that location.

PLANNING COMMISSION COMMUNICATIONS

Commissioner Tosta noted that it is her last Planning Commission meeting. She said she has enjoyed her four years as a commissioner and thanked her fellow commissioners for their work on behalf of the city. Her fellow commissioners congratulated her on her election to the City Council.

DIRECTOR'S REPORT

Mr. Davis congratulated Commissioner Tosta on her election to the City Council and said the staff looks forward to working with her in her new position.

He also said the City will be advertising to fill Commissioner Tosta's vacant position and three other positions expiring in March, and reminded the commissioners of the need to apply if they'd like to be considered for reappointment.

ADJOURNMENT

Direction/Action

Commissioner Henderson moved for adjournment; Commissioner Tosta seconded. Motion carried 7-0. The meeting was adjourned at 7:42 p.m.

SUBJECT: Public Hearing on Amended Zoning Regulations for Marijuana Related Businesses and Establishing a Public Hearing

PURPOSE

The purpose of this agenda item is for the Planning Commission to conduct a public hearing on the proposed amendments to the Burien Zoning Ordinance (BMC Title 19) for marijuana related businesses based on the interim zoning regulations which were adopted by the Burien City Council on August 19, 2013.

Prior to the public hearing, staff will present an overview of the proposed permanent regulations and outline the proposed timeline for adoption of zoning regulations for the location of marijuana related businesses in Burien. Tonight's public hearing will provide the required public hearing for the proposed marijuana related business zoning regulations and will be an opportunity for the public to comment on the proposed rules prior to the expiration of the interim zoning regulations on February 19, 2014.

Key Points

- The initial presentation for the proposed marijuana related business zoning is scheduled for the Planning Commission on December 11th. A public hearing on the proposed regulations is scheduled for the January 8, 2014 Planning Commission meeting and the Commission will make its recommendation to the Burien City Council on January 22nd. The Burien City Council is scheduled to consider the proposed regulations at their January 27th and February 3rd meetings.
- Since the Liquor Control Board has not issued any licenses yet and will not be doing so until January, 2014 at the earliest, the interim zoning regulations have been instrumental in responding to inquiries from property owners and potential licensees on the suitability of specific properties for locating recreational marijuana uses and serve as the basis for the proposed marijuana related business zoning amendments.
- All marijuana uses will be prohibited as a use or as a non-conforming use in all Single-Family Residential, Multi-Family Residential, Professional Residential, Office and SPA-2 (Ruth Dykeman Children's Center) zones.
- State licensed marijuana production and processing will only be allowed as a use or as a non-conforming use in the Industrial or Airport Industrial zones (more specifically only in a portion of the Northeast Redevelopment Area) and all activities must occur within an enclosed structure.
- State licensed marijuana production and processing can be located in the same industrially zoned building.
- State licensed marijuana production, processing or retailing cannot operate as an accessory to a primary use or as a home occupation.
- In order to apply for the required Type 1 Administrative review, the applicant will be required to produce either a license or license application from the State of Washington as only State licensed producers, processors and retailers will be considered.
- No use that purports to be a marijuana producer, processor or retailer that was engaged in the activity prior to August 19, 2013 shall be deemed to be a legally established use and shall not be entitled to non-conforming status.
- Marijuana producers, processors and retailers are required to acquire all necessary business licenses and are required to comply with municipal tax regulations and all other applicable City ordinances.

CITY OF BURIEN, WASHINGTON

ORDINANCE NO. 586

AN ORDINANCE OF THE CITY OF BURIEN, WASHINGTON, ESTABLISHING A SIX-MONTH INTERIM ZONING ORDINANCE ON THE ESTABLISHMENT, LOCATION, OPERATION, LICENSING, MAINTENANCE OR CONTINUATION OF MARIJUANA PRODUCERS, PROCESSORS, AND RETAILERS AS REGULATED PURSUANT TO WASHINGTON STATE INITIATIVE 502; PROVIDING FOR SEVERABILITY; AND ESTABLISHING AN EFFECTIVE DATE

WHEREAS, the City of Burien has the authority to adopt interim zoning regulations pursuant to RCW 35A.63.220; and

WHEREAS, on November 6, 2012, Initiative 502 was passed by the voters of the State of Washington, providing a framework under which marijuana producers, processors, and retailers can become licensed by the State of Washington; and

WHEREAS, Initiative 502 directs the Washington State Liquor Control Board (LCB) to develop rules and regulations to:

1. Determine the number of producers, processors and retailers of marijuana by county;
2. Develop licensing and other regulatory measures;
3. Issue licenses to producers, processors, and retailers at locations which comply with the Initiative's distancing requirements prohibiting such uses within one thousand feet of schools and other designated public facilities; and
4. Establish a process for the City to comment prior to the issuance of such licenses.

WHEREAS, the LCB recently issued initial draft rules, and was expected to adopt final rules in mid-August 2013 to begin issuance of marijuana producer, processor and retail licenses to qualified applicants in December, 2013; and

WHEREAS, after receiving public input regarding the proposed rules, the LCB postponed adoption of final rules to allow more time to clarify certain aspects of the I-502 implementation including, but not limited to, limits or caps on the amount of marijuana that will be grown and the number of retail stores to be licensed; and

WHEREAS, now the final rules are not scheduled to take effect until November of 2013; and

WHEREAS, Initiative 502 prohibits marijuana-related uses within 1,000 feet of the perimeter of certain uses and buildings, such as child care centers, public parks and recreation

centers or facilities, but does not address whether LCB-licensed marijuana businesses must comply with land use and zoning restrictions of local jurisdictions; and

WHEREAS, the adoption of land use and zoning regulations is a valid exercise of the City's police power and is specifically authorized by RCW 35A.63.100; and

WHEREAS, Section 69.51A.140 RCW, enacted as part of Washington's medical cannabis act, delegates authority to cities and towns to adopt and enforce zoning requirements, business licensing requirements, health and safety requirements, and business taxes related to marijuana production, processing and dispensing as exercises of the City's police powers and not necessarily limited to medical marijuana-related uses; and

WHEREAS, the Burien Municipal Code does not currently have specific provisions addressing licensing, producing, processing or retailing of recreational marijuana; and

WHEREAS, marijuana production, processing, and retailing uses must be addressed in the City's zoning code, but the land use and secondary impacts of these uses are still largely unknown and the regulations that the City will need to address them are uncertain pending the LCB's adoption of its licensing regulations and procedures; and

WHEREAS, unless the City acts immediately to address marijuana-related uses, such uses may be able to locate in the City without regulation and thereby have adverse impacts on the City and its citizens; and

WHEREAS, although the Washington state electorate as a whole voted to approve I-502, the City has not heard from the citizens of Burien regarding their opinions on the implementation of recreational marijuana-related land uses; and

WHEREAS, the City deems it in the public interest to impose interim zoning regulations for a period of six months in order to investigate this issue further and obtain regulatory clarity and guidance from the LCB's rules and Burien's citizens;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF BURIEN, WASHINGTON, DO ORDAIN AS FOLLOWS:

Section 1. Findings of Fact. The City Council adopts the above "WHEREAS" recitals as findings of fact in support of its action as required by RCW 36.70A.390 and RCW 35A.63.220. The Council may adopt additional findings in the event that additional evidence is presented to the City Council.

Section 6. No Non-conforming Uses. No use that constitutes or purports to be a marijuana producer, marijuana processor, or marijuana retailer as those terms are defined in this ordinance, that was engaged in that activity prior to the enactment of this ordinance shall be deemed to have been a legally established use under the provisions of the Burien Municipal Code and that use shall not be entitled to claim legal non-conforming status.

Section 7. Work Program. The Director of Community Development and/or his/her designee is hereby authorized and directed to address issues related to determining the legality of marijuana production facilities, processing facilities, and retailing facilities, including but not limited to review of the pending dispute between state and federal law enforcement authorities regarding the legality of recreational marijuana under any circumstances and notwithstanding the enactment by the legislature of Initiative 502. The work program should also develop appropriate permanent land use regulations pursuant to the new state law and state licensing requirements for review and recommendation for inclusion in the zoning regulations or other provisions of the Burien Municipal Code. Such regulations shall permit the location of marijuana producers, marijuana processors, and marijuana retailers in the city to the extent, but only to the extent, authorized by state law and then only when in compliance with state licensing requirements and City regulations. Therefore, the interim zoning regulations must be imposed as an emergency measure to protect the public health, safety and welfare, and to prevent the submission of applications to the City in an attempt to vest rights for an indefinite period of time. This Ordinance does not affect any existing vested rights to use or develop a property in a lawful way.

Section 9. Effective Date. This Ordinance shall take effect and be in full force and effect immediately upon passage, as set forth herein.

Section 10. Conflict with other BMC Provisions. If the provisions of this Ordinance are found to be inconsistent with other provisions of the Burien Municipal Code, this Ordinance shall control.

Section 11. Severability. Should any section, paragraph, sentence, clause or phrase of this ordinance, or its application to any person or circumstance, be declared unconstitutional or otherwise invalid for any reason, or should any portion of this ordinance be pre-empted by state or federal law or regulation, such decision or pre-emption shall not affect the validity of the remaining portions of this ordinance or its application to other persons or circumstances.
