

Workplace Employment (Jobs in Burien)

This report provides data for employment by industry in Burien prepared from 2010 Puget Sound Regional Council data, including data for the North Highline area annexed to Burien April 1, 2010. This report excludes government and education employment, to focus on the private sector. Where aggregate employment values represent fewer than three reporting firms, or when a single employer accounts for more than 80 percent of jobs, the total Burien count is withheld to protect company privacy (noted with one asterisk). A double asterisk mean that "North Highline only" is withheld, but the rest of Burien is counted. More information is available from Burien's Economic Development Manager, Dan Trimble, at 206-248-5528 or DanT@burienwa.gov.

Noteworthy here is that HealthCare and Social Assistance is the top category, exceeding jobs in Retail Trade.
