Looking for a fun & easy way to celebrate your toddler's birthday? Choose from one of our Play Zone Packages, perfect for crawlers, toddlers and children up to 5 years of age.

Add a Play Zone package to your scheduled rental for an additional equipment fee and refundable deposit. Seahurst room can accommodate all 3 packages. Due to space limitations, only one package can be added for meeting rooms.

Renter is responsible for bringing all food, supplies and decorations. Set up and clean up is required by the renter and must be booked with rental time. Facility staff provides all play equipment at the beginning of the rental and will clean and return equipment at completion.
